SUMMARY EXPLANATION AND BACKGROUND:

The School Board of Broward County, Florida, received four (4) proposals for RFP 15-007V, Title I Educational Services for Private School Students from Proposers that provide educational services in the areas of reading and mathematics to students enrolled in private schools that generate Title I funding.

Title I Administration and collaboration with non-public school officials, mutually agreed that Title I instructional services should be provided by a third party contractor(s) who will provide highly qualified personnel, all equipment, materials and supplies, as well as professional development and parental involvement activities necessary in order to deliver remedial basic skills instruction to students failing or at-risk of failing, as required under Title I regulations. The private school's annual allocation is based upon the District's Title I allocation and the number of eligible non-public private school students who generate Title I funds.

These agreements have been reviewed and approved as to form and legal content by the Office of the General Counsel.
