

**eCivis Master Subscription and Service Agreement
9/16/2014**

SUMMARY EXPLANATION AND BACKGROUND (CONTINUATION)

The attached agreement from eCivis will:

1. Provide Grant Research Software to improve the District's access to eligible and relevant grants funding and significantly decrease the amount of time needed to analyze funding opportunities.
2. Provide Grant Management Tracking Software to improve organizational visibility into the District's grants portfolio, decrease long-term costs associated with the management of grants, and improve capacity within the District by eliminating non-value added efforts to support the tracking and reporting of grant information.
