The benefits CUBE provides for large urban districts include: specialized federal lobbying and legal advocacy via a professional staff in Washington, D.C.; ad hoc topical reports especially for and about CUBE districts; survey findings, which profile our nation's urban schools; specialized forums to facilitate sharing of concerns, ideas, and "best practices" in the urban school setting; news from the urban public education arena via a bi-monthly newsletter; access to contacts and data from other urban districts; and in-depth analysis on issues in periodic reports and monographs.

Belonging to CUBE provides the district with added strength to address educational issues at a national level. When combined with membership in the Council of Great City Schools, the district becomes empowered with synergy to advance academic initiatives, educational opportunities and legislative changes which are needed by large urban districts like Broward County. Of the 54 members of the Council of Great City Schools, 37 also belong to CUBE.
