Mr. Keith Roberts,

This letter is to inform you and The School Board of Broward County, that we are in need to withdraw from contract of bid #15-025B. Due to mathematical errors in figuring out the cost of the product listed in such bid we regret not being able to complete this contract.

Please advice us in the procedures to make for this withdraw to take place.

Enviromentally yours,

A handwritten signature in dark ink, appearing to read 'Eli Finkelberg', with a long, sweeping vertical line extending downwards from the end of the signature.

Eli Finkelberg
