CONTINUATION OF SUMMARY EXPLANATION AND BACKGROUND

After consulting with our legal team, it was determined that the Procurement & Warehousing Services staff could not award the next lowest bidder; bid pricing is valid for ninety (90) days.

The timeline, between when the bid was opened through the completion of termination, has now passed the ninety (90) day period. The Procurement & Warehousing Services Department will re-advertise the bid once the thirty (30) day cancellation period has concluded.

There are approximately 305 cases stocked in the warehouse; estimated to be a two (2) month supply. The P-Card will be used should more supplies be needed before the new bid is awarded.
