SUMMARY EXPLANATION AND BACKGROUND:

The School Board of Broward County, Florida, Purchasing Policy 3320, Part II, Section M, permits the District to piggyback on contracts awarded by other city or county governmental agencies. This request is to piggyback the State of Florida's contract for Multifunction Copiers, Service & Supplies, providing schools and departments with new replacement high-production copiers. The current devices have been in service for over seven years.

The Procurement & Warehousing Services Department consulted with the Office of the General Counsel about utilizing the State of Florida's contract, pending the current bid protest of ITB 15-048E - Multifunctional Devices, Cost-Per-Copy.
