SUMMARY EXPLANATION AND BACKGROUND:
 In the past few years, the School District commenced a comprehensive process to dispose portables that have been deemed unsatisfactory, and since then, the District has demolished numerous portables. Subsequently, SBBC on December 9, 2014 declared one hundred thirty three (133) portables as surplus due to their obsolete condition, or the continued use of which is uneconomical, inefficient, or which serves no useful function; and as a component of the disposition process, the District established a procedure whereby entities interested in acquiring any of the portables may do so via a donation agreement with SBBC and at their own expense.
