Additional Background Information:

The Talent Acquisition and Operations Department analyzes historical data to determine when new candidates can be selected and to project the number of candidates needed by subject area. One of the goals of the Talent Acquisition and Operations Department is to have all vacancies filled by the first day of school.

The Talent Acquisition and Operations Department assists schools by facilitating job fairs, screening applicants, and providing a recommended applicant pool. It is critical that qualified candidates are actively recruited locally, state-wide, and out-of-state to best meet the staffing needs of the District's diverse student population. In preparation for filling teacher vacancies for the 2015-2016 school year, the Talent Acquisition and Operations Department will facilitate the 2015 Teacher Recruitment Fair. Candidates eligible for an educator's certificate in a core subject area are invited to attend. Last year, over 980 candidates attended the 2014 Teacher Recruitment Fair, and 384 vacancies were submitted by locations, of which 80% were filled at the event.

The Greater Fort Lauderdale/Broward County Convention Center (GFL/BCCC) will be the setting for the 2015 Teacher Recruitment Fair, which will be held on May 29, 2015, from 7:00am to 6:00pm. Set up for the event will occur on May 28, 2015.

The Talent Acquisition and Operations Department strives and finds it imperative to be visible and to enhance its positive image to attract qualified teacher candidates to the District.
