Project No. P.000437**

PROJECT OVERVIEW:

Type of Contract:	Design/Build
Architect:	TBD
Contractor:	TBD
Notice to Proceed Date:	Planned date based on April 21, 2015 approval
Budget:	\$1,735,262

GENERAL OVERVIEW:

The intent of this item is to approve the Authorization to Advertise for Design/Build services for the design and construction of the ADA restrooms, fire alarm, and fire sprinkler project at Coral Springs Elementary School, as approved in the 2014-2015 Adopted District Educational Facilities Plan (see Exhibit 2). The scope of work shall include, but not be limited to, staff and student ADA restrooms, entire fire alarm replacement, and installation of the fire sprinklers at Buildings 1, 3, and 78. The intent of this project is to provide for a complete and compliant turnkey project in accordance with all applicable codes and SBBC Design Criteria.

Selection for the services shall be in accordance with Board Policy 7003. District Staff shall convene the Qualification Selection Evaluation Committee to shortlist, interview (if needed), and select a Design/Build firm. The selected firm will be presented to the Board for award of the contract.

Upon approval by the Board, anticipated to be issued on April 21, 2015, Staff will advertise the bidding of this project in the newspaper and place the Invitation to Bid on demandstar.com. The advertisement will solicit competitive Guaranteed Maximum Price bids and is expected to result in obtaining the best cost for this work from a qualified Design/Build team who is pre-qualified to bid SBBC construction work.
