TITLE:

Recommendation to Reject all Bids - 15-067R - High Capacity Air Conditioning Filters

REQUESTED ACTION:

Approve the recommendation to reject all bids for the above contract.

SUMMARY EXPLANATION AND BACKGROUND:

The School Board of Broward County, Florida, received five (5) bid responses for 15-067R, High Capacity Air Conditioning Filters. The bid document was advertised requesting a standardized brand product for A/C filters. After receiving the bids, several vendors provided pricing for products that would perform equally as good and had better pricing. The District saw an opportunity to move to a performance specification, in lieu of a product specification, which would yield a significant savings overall. Procurement & Warehousing Services will obtain quotes to continue the District's ability to obtain the A/C filters until the new bid is awarded. The new bid is scheduled for award at the June 23, 2015, Board meeting.
