SUBJECT: **Naming of Building #2 First Floor Wing**

A representative group of all stakeholders at Bayview Elementary School has unanimously voted to name the first floor wing of building #2 to "Nancy Wengren Primary Wing".

It is requested that The School Board of Broward County, Florida, consider making the official name of this building in honor Nancy Wengren's 57 years of dedication and service as an educator at Bayview Elementary. The recommended name change does not affect the governance, accreditation, funding or educational offerings at the school.

The recommended name change will honor Nancy Wengren for her never-ending service to Bayview's students, staff, and community. A lifelong learner, she embraced the future as much as she remembered the past. From Bayview Elementary's opening day, Ms. Wengren inspired us all to reach our highest potential. Mrs. Wengren leaves an immeasurable legacy.
