## SAC Special Session

Bayview Elementary 1/30/2015

Suggestions were considered for the naming of the primary wing in honor of Nancy Wengren, Bayview teacher who recently passed. Motion was made by Laura Hardison to vote on the signage to read "Nancy Wengren Primary Wing". Seconded by Mr. Ellis. Unanimously approved.

Decision was made to have the signage constructed using a bronze tone. Mr. Hinesley asked that Bayview also consider having the Mattie Pollack signage replaced to match the signage for the primary wing.

Suggestions were given by SAC members and other staff members in attendance for the wording of the plaque. Some of the possibilities included:

- Use Nancy Norse Wengren
- Embraced the future while remembering the past
- From Bayview's very first day to her very last
- Years of service
- Involvement with Girl Scouts
- In appreciation of her never-ending service to our students, staff and community
- Continual lifelong learner
- Inspiring mentor to Ft. Lauderdale's youth
- Picture of a penguin
