TITLE:

New Agreement between The School Board of Broward County, Florida and Innovations for Learning

REQUESTED ACTION:

Approve a new agreement with Innovations for Learning (IFL).

SUMMARY EXPLANATION AND BACKGROUND:

Innovations for Learning (IFL) is a non-profit organization dedicated to improving early literacy and reading skills through a teacher-led blended learning literacy program in underperforming elementary schools. IFL partners with major corporations and community agencies to launch sustainable implementations in major urban school districts by helping districts and schools connect the power of teachers, technology, and online mentors to personalize and differentiate instruction using mobile technology (iPads) at the K-1 grade levels. An online mentoring program (TutorMate) pairs corporate and community volunteers and targeted first grade students remotely once a week to encourage and support reading achievement. Two Teacher Ambassadors from IFL deliver ongoing teacher development and coaching to participating schools. This agreement has been reviewed and approved as to form and legal content by the Office of the General Counsel.

SCHOOL BOARD GOALS:
