

July 28, 2015, Regular School Board Meeting
LL-1. Executive Summary
Premium Service Agreements Approval

The Venture Design Initiative was created to provide fee-supported premium services to charter schools, beyond the services required by Section 1002.33, Florida Statutes. This initiative is in its third year of operation and is strategically aligned under the Portfolio Services Division within the Innovative Programs Design/Support Department. Surveys continue to reveal the need for premium services to be provided to these schools as permitted by Section 1002.33(20)(b), Florida Statutes.

The attached agreements delineate the negotiated terms as well as the structure and components that comprise the fee-supported services. The terms of the agreements are from July 28, 2015, to June 30, 2016.

The estimated positive revenue to the District for the 2015-2016 Premium Service Agreement will be based on the actual number of services requested and delivered to the pertinent charter schools.

These agreements have been approved as to form and legal content by the Office of the General Counsel.
