The federal Family Educational Rights and Privacy Act (FERPA) and related Florida Statutes protect the confidentiality of student records. Revisions to the policy reflect updates in the federal and state laws. In accordance with School Board Policy 1001, the Student Records: Confidentiality and Family Educational Rights policy was first reviewed at the March 31, 2015 School Board Workshop. Revisions to said policy were made in accordance with Board input and again reviewed at the May 26, 2015 School Board Workshop. This policy was advertised on June 21, 2015. At the July 28, 2015 School Board meeting, the phrase "biological and/or adoptive" was approved to replace the word "natural" to describe "parent" where applicable. This policy was advertised again on August 2, 2015.
