Motion made by Mike Banante to rename the basketball gymnasium in honor of Thornton Humphries. Members agreed and discussed the rationale. Members indicated that this would be a great piece of history for the city of Deerfield Beach. The desire was to not let the memory of a devoted educator to die, but to live on. Students will be able to see where they come from and where they are going. It was indicated that Humphries was the type of person that everyone would be proud of because he symbolized pride, honor, and dignity. For the district he was an Assistant Principal, Principal, and Area Superintendent.
