Background: This item is being recommended for School Board adoption to meet requirements for revised job descriptions.

Position Title: Chief Talent Development Officer
Division/Department: Chief Talent Development Officer

Category: ES **Range:** \$113,341 - \$185,706 **Point Range:** 1340 and above

Salary Schedule: 2014-2015 ESMAB Salary Schedule

Recommended Policy Status: Organizational Chart Job Description - **Final** Reading

Rationale: Revisions to the job description for the Chief Talent Development Officer have been made due to the reporting relationship associated with the organizational structure and in order to properly align the position with the duties currently being performed. The proposed job description more closely aligns with the collaborative efforts occurring throughout the District, specifically, the job description highlights the position goal of architecting systems, programs, tools and strategies to continuously develop employees. At the May 12, 2015 School Board Workshop, a recommendation was presented to align the salary bands for all direct-report positions to the Superintendent serving on the Superintendent's Cabinet. Direct reports to the Superintendent would be categorized at the level of Salary Band S, thus impacting this position. Although the recommended changes were not included as a part of the recommended 2015-2016 Organizational Chart, it was requested staff reevaluate the recommendation. The Chief Talent Development Officer position was audited, and revised compensable factors associated with the position warranted the change from Salary Band E to Salary Band S.

Prior to the recommendation to the School Board for adoption, the appropriate representatives from the Broward Teachers Union (BTU) and the Educational Support & Management Association of Broward (ESMAB) were provided a copy of the job description for review.

Cost: There is no additional financial impact to the District due to the resignation of the incumbent.
