## **EXECUTIVE SUMMARY**

### **Recommendation of \$500,000 or Greater 15-114C – Program Manager/Cost and Program Controls Services**

---

This request is to approve the recommendation to award RFP 15-114C, Program Manager/Cost and Program Controls Services to Atkins North America, Inc., for a 3-year contract term effective September 17, 2015, through September 16, 2018, for a total award amount not to exceed \$6,456,073.

#### **OBJECTIVE**

The role of the Cost and Program Controls Manager (CPCM) is to manage all control systems for all capital projects as proposed as part of the 2014 General Obligation Bond (GOB) referendum. The CPCM, in its management of the District's control systems, acts as the District's representative and actively seeks to identify issues and resolve issues. Where issues cannot be resolved by the CPCM, the CPCM's responsibility as the manager of controls is to provide options to District's Facilities Office for review and direction. Capital projects include those currently proposed within the GOB additional projects identified during the term of the contract, and a variety of planning and assessment services as required by the District to develop and execute an effective capital program.

The Program is planned at over \$900M and is expected to be executed from 2015 through 2019, with some projects' construction and/or close out extending into 2021. The CPCM will be expected to manage the controls systems for the projects that comprise this Program and provide related capital planning services to holistically address the needs of the District's portfolio of facilities.

June 2, 2015	1 <sup>st</sup> Evaluation Meeting held*
June 8, 2015	Interviews were held with top three firms: Atkins, North America, Inc.; Heery International, Inc.; and Skanska USA Building Inc.
June 9, 2015	Recommendation Tabulation was posted postponing recommendation of award until June 11, 2015
June 11, 2015	Recommendation Tabulation was posted postponing recommendation of award until June 16, 2015
June 16, 2015	Special Meeting for Evaluation Committee held* <b>Skanska ranked highest respondent</b>
June 17, 2015	Skanska issued memo selecting award**
July 5, 2015	Advertisement of Special Meeting to Reconvene Evaluation Committee
July 9, 2015	Special Meeting held to reconvene the Evaluation Committee

\* An allegation was made that there was a potential violation of the Sunshine Law during the evaluation process held on June 2, 2015, and June 8, 2015. In an abundance of caution, the committee conducted a special meeting to ensure compliance with the Sunshine Law. With the guidance of our Legal department, a special evaluation meeting was held to ensure all laws were adhered to.

**Recommendation of \$500,000 or Greater**  
**15-114C – Program Manager/Cost and Program Controls Services**  
**September 16, 2015 Board Agenda**

The special meeting involved staff redoing the entire evaluation process. The meeting was noticed and recorded as required by Sunshine Law, Section 1001.372 and 286.011 of the Florida Statutes. The outcome of the scores for this RFP changed. Skanska ranked the highest respondent.

\*\* Skanska ranked the highest respondent in both RFPs (RFP 15-115C - Owner's Representative Services and RFP 15-114C – Cost and Program Controls Services). Both RFPs indicate the District's intention to create separate roles and responsibilities in the management of the SMART program through the solicitations for Owner's Representative and Cost and Program Controls Services. As such, the District seeks to avoid the actual or perceived conflict of a consultant managing projects while also providing the controls oversight function on those same projects. Therefore, Skanska was given the opportunity to select the services to provide to the District. Skanska selected the Owner's Representative Services award (see Skanska memo dated June 16, 2015). As a result, the Evaluation Committee reconvened and voted to select the next highest ranking vendor, Atkins North America, Inc., for award.

**M/WBE PARTICIPATION**

Atkins North America, Inc., will provide M/WBE participation during its performance of services under this Agreement by using two (2) M/WBE certified vendors:

- Construction Management Services, Inc. (African American Male) – 40 Percent
- Absolute Civil Engineering Solutions, LLC (Caucasian Female) – 5 Percent

### **ARTICLE 3 – GENERAL CONDITIONS**

3.01 **No Waiver of Sovereign Immunity.** Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third Party Beneficiaries.** The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

3.03 **Independent Contractor.** The parties to this agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

3.04 **Equal Opportunity Provision.** The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

3.05 **Termination.** This Agreement may be canceled with or without cause by SBBC during the term hereof upon thirty (30) days written notice to the other parties of its desire to terminate this Agreement. SBBC shall have no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, title to such property shall pass to SBBC, and SBBC may use or dispose of such property as SBBC deems fit and appropriate. VENDOR will be compensated for services performed up to the date of termination and be reimbursed for any and all reimbursable expenses allowed under the Agreement.

3.06 **Default.** The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) days written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05.

3.07 **Annual Appropriation.** The performance and obligations of SBBC under this Agreement shall be contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty shall accrue to SBBC in the event this provision is exercised, and SBBC shall not be obligated or liable for any future payments due or any damages as a result of termination under this section.

3.08 **Excess Funds.** Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. Interest shall be calculated using the interest rate for judgments under Section 55.03, Florida Statutes, applicable at the time the erroneous payment or overpayment was made by SBBC.

3.09 **Public Records.** Pursuant to Section 119.0701, Florida Statutes, any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to SBBC, all public records in that party's possession upon termination of its Agreement with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

3.10 **Student Records:** Notwithstanding any provision to the contrary within this Agreement, any party contracting with SBBC under this Agreement shall fully comply with the requirements of Sections 1002.22 and 1002.221, Florida Statutes; FERPA, and any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

3.11 **Compliance with Laws.** Each party shall comply with all applicable federal and state laws, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.12 **Place of Performance.** All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.13 **Governing Law and Venue.** This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida.

3.14 **Entirety of Agreement.** This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.15 **Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.16 **Assignment.** Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.17 **Incorporation by Reference.** Attachments A, B, C, D and E are attached hereto and referenced herein shall be deemed to be incorporated into this Agreement by reference.

3.18 **Captions.** The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way effect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.19 **Severability.** In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.20 **Preparation of Agreement.** The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.21 **Amendments.** No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.22 **Waiver.** The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.23 **Force Majeure.** Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.24 **Survival.** All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

3.25 **Contract Administration:** SBBC has delegated authority to the Superintendent of Schools or his/her designee to take any actions necessary to implement and administer this Agreement.

3.26 **Authority.** Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the date first above written.

### ATKINS Summary from the following e-Builder proposal:

#### e-Builder OPTION 1 Pricing: Base Proposal Years 1-3 (Atkins Recommended)

- 100-user licenses: \$969 per yearly license fee x 100 licenses x 3 years: \$290,700
- e-Builder Enterprise Implementation, Setup, Deployment & Training: \$126,675
- Total base implementation: \$417,375

#### e-Builder OPTION 1 Pricing: Option Proposal Years 4-5 (\*license fee subject to be renegotiated):

- Year 4: 100-user licenses: \$969\* per year license fee x 100: \$ 96,900
- Year 5: 100-user licenses: \$969\* per year license fee x 100: \$ 96,900
- Total base implementation: \$193,800

---

#### e-Builder OPTION 2 Pricing: Base Proposal Years 1-3 (Optional pricing approach for consideration by SBBC; based on volume of \$76M to \$100M per year)

- Unlimited Site License: \$149,760 per year x 3 years \$449,280
- e-Builder Enterprise Implementation, Setup, Deployment & Training: \$126,675
- Total base implementation: \$575,955

#### e-Builder OPTION 2 Pricing: Option Proposal Years 4-5 (Optional pricing approach for consideration by SBBC; based on volume of \$76M to \$100M per year; \*license fee subject to be renegotiated)

- Year 4: Unlimited Site License: \$149,760\* per year \$149,760
- Year 5: Unlimited Site License: \$149,760\* per year \$149,760
- Total base implementation: \$299,520

---

#### e-Builder YEARLY Add-ons (For consideration by SBBC; \*fee subject to be renegotiated on Option Yrs.)

- Quarterly enhancement training: \$17,970\*
- Enterprise Bidding Module: \$ 4,350\*
- Enterprise Planning Module: \$ 5,400\*

---

#### Reasoning for Recommendation of e-Builder:

- e-Builder has the SaaS system geared towards Owners managing large programs
- e-Builder has had successful implementations across the Country, and in South Florida
- Most A/E firms and contractors have worked with e-Builder
- e-Builder headquarter is local to Broward County

---

#### Reasoning for recommendation of e-Builder 100 license package:

Quotation for the cost per license below 100 was \$1,346 per user license; breaking point is approximately 75 licenses (anything over 75 user licenses makes it more cost effective to go with the 100 license price). Therefore, with the 100 licenses it provides SBBC with a much greater number of user licenses at a lower price per user. Additional licenses added beyond 100 will also be at the \$969 per license cost/year. Consideration of the unlimited license would only be recommended if there was high confidence that the number of user licenses would be above approximately 150.

## Investment Summary

**Re: School Board of Broward County, Florida – RFP No. 15-114C and No. 15-115C**

Dear Ms. Crenshaw:

We are excited to learn that Skanska USA Building Inc. was ranked highest by both the selection committee for RFP No. 15-114C (Cost and Program Controls) and by the selection committee for RFP No. 15-115C (Owner's Representative Services). Although we were ranked highest by both selection committees, we understand that we do not have an opportunity to be awarded a contract for both.

Based on that understanding, we would like to be awarded the contract for RFP. No. 15-115C, Owner's Representative Services. We understand an equitable proportion of the \$800 million bond program will be initially awarded to us as Owner's Representative and that future allocations of the work will be based on performance.

Please feel free to contact me at 540-423-2860 or [curtis.elswick@skanska.com](mailto:curtis.elswick@skanska.com) with any questions or further clarifications. We look forward to initiating contract negotiations in the very near future.

Sincerely,
