| Project Description | <p>The School Board of Broward County, Florida has partnered with Atlantic Shores Hospital, LLC., for more than six years. This agreement helps to provide students from Sheridan Technical College the opportunity to apply classroom content and theory to relevant clinical experiences at that facility.</p> <p>This agreement will allow student access and be able to address the requirements of regulatory agencies for students to qualify for certification/licensure examinations upon program completion. Students will begin use of the facility upon Board approval of this clinical agreement.</p> |
| Evaluation Plan | Surveys were completed by students, health science teachers, and selected staff of the clinical facilities after completion of the clinical experience to determine quality of experience. A summary of the survey responses from facility, instructors and students indicates an overall rating of 100%. |
| Research Methodology | Curriculum Frameworks and Program of Study as delineated by the Florida Department of Education for program completion. |
