TITLE:

National Center for Families Learning-Toyota Family Learning Agreement

### REQUESTED ACTION:

Approve the Agreement between The School Board of Broward County, Florida and the National Center for Families Learning. The Agreement period is from July 1, 2015, through June 30, 2016.

### SUMMARY EXPLANATION AND BACKGROUND:

Toyota began a partnership with the National Center for Families Learning (NCFL) in 1991. In addition to a commitment of more than \$36 million to establish model literacy programs throughout the country, Toyota has also contributed a wealth of in-kind support - including advertising, planning, and management expertise - to form one of the most progressive corporate/non-profit partnerships in the nation. This grant will serve 100 at-risk families (pre-school through high school children and adults) who need to improve literacy/English skills. As part of the NCFL Family Service Learning model, adults attending seven community schools and their children will engage in on- and off-line interactive activities aimed at improving literacy and family dynamics. Through this program, families will develop college and career readiness skills as they investigate, plan, and implement service-learning projects.

See Supporting Docs for continuation of Summary Explanation and Background.

This Agreement has been reviewed and approved as to form and legal content by the Office of the General Counsel.
