2. Payment and Construction of Classroom Additions.

- a. Developers' and City's Payment for Classroom Additions. Upon approval of this Amended Agreement, the City shall remit \$750,000 (the "Design Payment") no later than October 16, 2015 so that the School Board may consider and award a design contract at their October 20, 2015 meeting. Should approval of this agreement not occur until after October 20, 2015, the Design Payment shall be received by the School Board no later than October 30, 2015 such that the design contract may be awarded at the November 3, 2015 School Board meeting. In the event that a design contract is not awarded, the School Board shall refund the Design Payment to the City within thirty (30) days from November 3rd.

Pursuant to the terms and conditions contained in a separate agreement between the City and the Developer (the "Annexation Agreement") attached hereto as **Exhibit "B"**, the Developer has agreed to pay funds in a lump sum to the City in the amount of Seven Million Seven Hundred Twenty Four Thousand Dollars \$7,724,000 (the "Initial Payment"). To the extent the Initial Payment is received by the City from the Developer, on or before January 15, 2016, such Initial Payment shall be paid by the City in a lump sum to the School Board, on or before February 15, 2016, for the School Board to construct twenty four (24) classrooms within one or more permanent additions to existing Broward County Public Schools to be located within the corporate limits of the City said additions shall be owned by the School Board and shall be maintained and operated by the School Board for at least five (5) years, following the commencement of the Project; this five (5) year period shall begin upon the issuance of the first building permit for a residence within the Project, other than for model homes. The location of each Classroom Addition constructed pursuant to this Agreement, shall be at the School Board's sole discretion, as long as it is located within the corporate limits of the City.

If the School Board determines that the Initial Payment is insufficient to fund the Classroom Additions, the School Board shall notify the City in writing, and include an itemized report of the additional costs to complete the Classroom Additions (the "Excess Notice"), no later than September 15, 2016. The City shall provide the Excess Notice to the Developer within ten (10) calendar days of the City's receipt of said notice from the School Board, or in any event, no later than September 25, 2016. The City shall request the Developer to pay to the City such additional funds as are necessary to complete the Classroom Additions, in a lump sum on or before November 25, 2016, in an amount not to exceed One Million Two

92 Hundred Thirty Two Thousand Dollars \$1,232,000 (the "Excess  
93 Payment"). To the extent of the City's receipt of the Excess Payment from  
94 the Developer, the City shall pay the Excess Payment to the School Board  
95 no later than December 31, 2016. The Initial Payment and the Excess  
96 Payment are defined together as (the "Classroom Addition Payments").  
97 Together, the Classroom Addition Payments shall not exceed Eight  
98 Million Nine Hundred Fifty Six Thousand Dollars \$8,956,000. In the  
99 event the twenty four (24) Classroom Additions are not constructed,  
100 in whole or in part, by the School Board for any reason, including but  
101 not limited to failure to receive funds from the Developer in a timely  
102 fashion, or the funds are insufficient to construct the twenty four (24)  
103 Classroom Additions, the School Board shall construct the maximum  
104 number of classrooms within one or more permanent additions to existing  
105 Broward County Public Schools, located within the corporate limits of the  
106 City that the available funds received pursuant to this Agreement  
107 permit. The School Board shall promptly return all unspent and  
108 uncommitted funds (as may be evidenced by a binding construction  
109 contract or other actions related to development for Classroom  
110 Additions provided herein which legally and financially obligate the  
111 School Board to the project) to the City no later than December 31, 2017.  
112

113 In addition to the School Board's construction of the twenty four (24)  
114 Classroom Additions, the Classroom Addition Payments shall also fund  
115 the removal of twenty four (24) existing portable classrooms by the  
116 School Board from the North School Impact Fee Service Area, as defined  
117 in Section 5-182(7)(a) of the Broward County Land Development Code,  
118 which includes the corporate limits of the City ("Portable Classroom  
119 Removals"). The location of each existing portable classroom that is to be  
120 removed shall be at the School Board's sole discretion as long as it is within  
121 the North School Impact Fee Service Area.  
122

123 NOTWITHSTANDING ANY OTHER PROVISIONS CONTAINED  
124 HEREIN, the City's obligation to pay the Classroom Addition Payments to  
125 the School Board is conditioned upon and subject to the payment of the  
126 Classroom Addition Payment by the Developer to the City. The School Board  
127 acknowledges in no event shall any payments pursuant to this Agreement be  
128 due prior to approval of rezoning for the Project, and the conclusion of the  
129 rezoning approval appeal period.  
130

- 131 b. School Board's Construction of Classroom Additions. In accordance with  
132 the Classroom Addition Schedule, the School Board shall construct (or  
133 cause to be constructed) the Classroom Additions, and proceed diligently  
134 to complete (or cause to be completed) the Portable Classroom Removals  
135 (as applicable). Except for the payment of the Classroom Addition  
136 Payments from the Developer to the City, and from the City to the School  
137 Board in accordance with the Classroom Addition Schedule, the City shall  
138 not be responsible for the costs or expenses associated with the School

139 Board's construction, maintenance, and/or operation of the Classroom  
140 Additions or the Portable Classroom removals, other than those included  
141 in this Agreement.  
142

143 c. The School Board shall own the Classroom Additions and shall be  
144 responsible for maintaining and operating the Classroom Additions at its  
145 sole cost and expense.  
146

147 d. The School Board's construction of the Classroom Additions shall be done  
148 in a good and workmanlike manner, free of material defects, and shall  
149 comply with all the State of Florida Requirements for Educational  
150 Facilities (SREF) and applicable School Board policies and procedures.  
151

152 e. The City's obligation to pay the Classroom Addition Payments to the  
153 School Board is conditioned upon and subject to the payment of the  
154 Classroom Addition Payments by the Developer to the City.  
155

156 f. The School Board's obligation to construct the Classroom Additions and  
157 the Portable Classroom Removal pursuant to this Agreement, is  
158 conditioned upon and subject to the payment of the Classroom Addition  
159 Payments, in accordance with the Classroom Addition Schedule, by the  
160 Developer to the City and then by the City to the School Board. In  
161 the event the twenty four (24) Classroom Additions are not constructed,  
162 in whole or in part, by the School Board for any reason, including but  
163 not limited to failure to receive funds from the Developer in a timely  
164 fashion, or the funds are insufficient to construct the twenty four (24)  
165 Classroom Additions, the School Board shall construct the maximum  
166 number of classrooms within one or more permanent additions to existing  
167 Broward County Public Schools, located within the corporate limits of the  
168 City that the available funds received pursuant to this Agreement  
169 permit. The School Board shall promptly return all unspent and  
170 uncommitted funds (as may be evidenced by a binding construction  
171 contract or other actions related to development for Classroom  
172 Additions provided herein which legally and financially obligate the
