Thank you John for reaching out to me this afternoon with respect to the current School Board of Broward County School Affiliation Agreement. As we discussed, the prior two year arrangement (attached for your edification) expired on January 9, 2015 (see page 5 under clause entitled Term & Termination), thus the new agreement would commence immediately afterward. Bottom line, regardless of when the Board meets, it should have no bearing on the start date of the agreement.

Please let me know if you have any further questions or concerns, as it would be my pleasure to assist you. Also, I'm happy to provide a copy of the current fully executed agreement if you require one.

Thanks in advance for your kind consideration.

Cynthia
