TITLE:

BCPS Digital Classroom Plan - 2014-2015

REQUESTED ACTION:

Approve the Broward County Public Schools Digital Classroom Plan for submission to the Florida Department of Education.

SUMMARY EXPLANATION AND BACKGROUND:

To access the State FEFP Digital Classroom Plan Allocation, school districts are required to submit to the FLDOE a school board approved Digital Classrooms Plan (DCP) as per s.1011.62(12), F.S. The funds are included in the 2015 Adopted Budget and are allocated in the Information and Technology Department budget. The DCP submitted for approval is aligned to the technology component of the General Obligation Bond, the District Strategic Plan and the District Technology Strategic Plan. It provides to the FLDOE a comprehensive overview of Broward's technology and learning goals and supports plans currently underway to meet these goals. It was developed with input from Academics, Information and Technology, Talent Development and Research representatives. Broward proposes to use the DCP allocation for a K-12 Learning Management System (LMS), and related services. Board items will be brought forward in reference to the LMS and services. The Digital Content Standards Sub-committee, the Digital Projects Workgroup and the Technology Advisory Committee approved to move forward the DCP.
