

## FF-1 Agreement between The School Board of Broward County, Florida (SBBC) and National Academy Foundation (NAF)

### Con't of summary explanation and background

The NAF annual membership fee is \$1600 per academy, per school. The services provided, as part of the membership fee, include access to the online curriculum and instructional materials, funding for District and support staff to attend the annual national NAF Summer Institute for Staff Development, technical assistance and support to schools by the NAF staff assigned to Broward County, and scholarship opportunities for students. The District's affiliation with NAF is cost effective and increases program rigor and supports internship experiences.
