Project Description	Broward County Public Schools currently has twenty six (26) successful NAF Academies in the following areas: Engineering, Finance, Health Science, Hospitality & Tourism, and Information Technology. This agreement affords students with additional opportunities to become College & Career ready by allowing students to participate in Internship experiences with a variety of work place opportunities and industry specific curriculum.
Evaluation Plan	National Academy Foundation requires each NAF Academy school to create an extensive on-line Academy Assessment, in the NAF Data Center. This assessment is evaluated by NAF officials to determine the areas in which the school's academy is excelling, and in which areas they need additional assistance.
Research Methodology	Evaluation of the success of each academy is completed annually by NAF officials, as well as experts with which NAF contracts, from throughout the NAF network in the United States. The methodology measures specific academy performances against other academies in the nationwide NAF network.
