

September 23, 2015

To Whom It May Concern:

Certiport is also the worldwide sole source provider for the purchase of the following industry certification programs in the academic marketplace:

- Microsoft® Office Specialist (MOS) Program
- Microsoft Technology Associate (MTA) Program
- Adobe® Certified Association (ACA) Program
- Autodesk® Certified User (ACU) Program
- Intuit® QuickBooks Certified User (QBCU) Program
- HP® Accredited Technical Associate (ATA) Program
- Certiport Internet and Computing Core Fundamentals (IC3) Programs
- Certiprep Practice Tests
- MeasureUp® Practice Tests

Certiport is also the exclusive administrator of the Microsoft Office Specialist (MOS) and Microsoft Technology Associate (MTA) certification programs on behalf of Microsoft worldwide.

Certiport complies with the highest industry standards in assessing and certifying basic computing, information technology, and office application skills. Certiport offers certification assessment and testing services in more than 150 countries and 25 languages worldwide. Certiport delivers its certification tests through a network of over 12,000 Certiport Authorized Testing Centers worldwide.

Certiport is dedicated to providing every Certiport Authorized Testing Center and every testing customer with excellent service and support during their entire certification testing experience. Certiport is pleased to provide any additional information on its programs as needed. Please direct questions or comments to customerservices@certiport.com.

Thank you for your interest in our programs,

Sincerely,

Aaron Osmond
Vice President, Certiport Offering
