**LL-3. Executive Summary**  
**Premium Service Agreement Approval**

The Venture Design Initiative was created to provide fee-supported premium services to charter schools, beyond the services required by Section 1002.33, Florida Statutes. This initiative is in its third year of operation and is strategically aligned under the Portfolio Services Division within the Innovative Programs Design/Support Department. Surveys continue to reveal the need for premium services to be provided to these schools as permitted by Section 1002.33(20)(b), Florida Statutes.

The attached agreement delineates the negotiated terms as well as the structure and components that comprise the fee-supported services. The terms of the agreement is from November 3, 2015, to June 30, 2016.

The estimated positive revenue to the District for the 2015-2016 Premium Service Agreement will be based on the actual number of services requested and delivered to the pertinent charter school.

This agreement has been approved as to form and legal content by the Office of the General Counsel.
