

## **EXECUTIVE SUMMARY**

### **Recommendation to Approve Extension of Bid 13-044T – Pool Chemicals and Supplies**

---

Bid 13-044T, Pool Chemicals and Supplies, was approved on March 18, 2013, for three (3) years (April 1, 2013 through March 31, 2016) with a \$600,000 spending authority. The Athletics and Student Activities department manages the chemical maintenance of 15 pools located on school campuses throughout the District. Gomez Chemicals, Inc. d/b/a Beach-O-Rama, an M/WBE certified vendor, provides the pool chemicals needed to ensure compliance with Broward County Health Department regulations. Chemicals include chlorine necessary for the proper balance of the pools.

This Bid allows an option to renew the contract for an additional one-year period. As per Section 4, Special Condition 5, Contract Renewal, “The term of the bid shall be for three (3) years, and may, by mutual agreement between SBBC and the Awardee, be renewed for two additional one-year periods and, if needed, 90 days beyond the expiration date of the final renewal period.”
