## REQUESTED ACTION:

Approve funding for the Life Safety Pool Renovations project in the amount of \$583,400 at Stranahan High School, Project. No. P.001677.

## SUMMARY EXPLANATION AND BACKGROUND:

The pool was determined to be unsafe by the Broward County Health Department and the Broward County Public Schools Safety Department in July of 2014 and as a result, was closed. Physical Plant Operations (PPO) initiated a work plan to correct these deficiencies using their capital outlay funds as a repair project. Once repairs started, unforeseen conditions were encountered and it was determined that due to statutory cost limitations, PPO could not complete the project. The Office of Facilities & Construction was then assigned this project to complete, including services to fully investigative field conditions and refine the detailed scope of work.
