TITLE:

Approve Funding for the Relocation of the - Office of Facilities & Construction to the - Rock Island Administration Center

Open Agenda

☒ Yes

☐ No

REQUESTED ACTION:

Approve the request for funding in the amount of \$675,000 for the relocation of the Office of Facilities & Construction (OFC) to the Rock Island Administration Center, which includes costs for the relocation and facility improvements at the new location.

SUMMARY EXPLANATION AND BACKGROUND:

The Office of Facilities & Construction (OFC) is currently located within the existing Sheridan Technical High School. Due to the vast success of the programs at Sheridan Technical High School, there is a need for additional space for the upcoming school year, 2016-2017. With expanding programs and the addition of the 11th Grade class at the school, OFC was advised that there is a need for Sheridan Technical High School to acquire the space presently being occupied by OFC. In discussion with the school, OFC understood that all spaces were necessary for the school's expansion, including the parking spaces currently being used by OFC. Additionally, OFC reported to the Bond Oversight Committee (BOC) in the SMART Quarterly Update Report, issued in November 2015 that it will be relocating to the Rock Island Administration Center (RIAC) at the beginning of 2016, and that both Heery and Atkins will be located with OFC, allowing for day-to-day interaction and coordination on projects, and thus maximizing the synergy that is necessary to execute the very important work of the SMART Program.
