SUBJECT: **RENAMING OF HALLANDALE ADULT
COMMUNITY CENTER**

A representative group of all stakeholders at Hallandale Adult Community Center School has unanimously voted to change the name of the school to Henry D. Perry Education Center.

It is requested that The School Board of Broward County, Florida, consider changing the official name of this school to reflect the school's relocation to H.D. Perry Middle School facility effective July 1, 2016. The recommended name change does not affect the governance, accreditation, funding, or educational programming currently in place at the school. The recommended name change will more clearly inform the general public, including the families of prospective students, about the unique educational offerings at this school while also continuing to honor a great leader, Mr. Henry D. Perry.

Thank you for your consideration of this request.
