RECOMMENDED CERTIFICATION(S):

- Any Field when certificate reflects Bachelors Degree or Higher. Any coverage listed in the CCD that requires the teacher to hold a bachelors’s degree or higher.
- JROTC District Certificate

COURSE DESCRIPTION:	(Please attach a course description for the recommended course that identifies the Major Concepts/Content, Special Notes, and the Course Requirements aligned with the appropriate state standards.) See example at: http://www.cpalms.org/Courses/PublicPreviewCourse1723.aspx
SCHOOL BOARD APPROVAL:	(Please attach documentation of your School Board approval of this recommended course.)
PLEASE DESCRIBE THE NEED FOR THE NEW COURSE, INCLUDING THE REASON WHY AN EXISTING COURSE WILL NOT SERVE THE NEED. Requests could be supported with data indicating the need for the course. Other considerations should include existing courses that might duplicate content or credits.	
<p>Currently, 14 out of the 40 middle schools in Broward County have committed to offering the course. Additional middle schools are preparing to implement a JLC programs as well. JLC is a JROTC like program but taught in the middle schools. The term "NMSCC/JLC" is new to Broward, but other big cities have similar programs using the same name. Tulsa OK, Wichita KS, Dallas TX, and Fort Worth TX are some of the major cities across the country forming similar programs in their school districts. This course offers strategies for character education not presently available at the middle school level. No other course offers the proper instructor certification. The popular courses that are currently being offered use a generic "Research" course code because the state does not have the appropriate course available. It has been challenging to pair qualified instructors and curriculum to support the desired outcomes of the program. BCPS is proposing that the National Middle School Corps of Cadets be approved from the state as this will standardize the content and flow of the current JROTC like middle school programs for grades 6-8.</p>	
<p>END-OF-COURSE (EOC) ASSESSMENT REQUIREMENT: Section 1008.22(6), Florida Statutes, requires each school district to administer, for each course offered in the district, a student assessment that measures mastery of the content, as described in the state-adopted course description, at the necessary level of rigor for the course. Please indicate below which method has been used to develop the local assessment for the attached course request.</p> <p> <input type="checkbox"/> EOC was created using the Florida Interim Assessment Item Bank and Test Platform <input type="checkbox"/> EOC was created with locally-developed items shared by another district(s) <input type="checkbox"/> EOC was purchased from the Florida Catalog of State Adopted Instructional Materials <input checked="" type="checkbox"/> EOC was created by this district and will be available only to this district </p>
