**TITLE:**  
Approve Request to Add National Middle School Corps of Cadets (NMSCC)/Junior Leadership Courses (JLC)

**REQUESTED ACTION:**  
The School Board of Broward County, Florida (SBBC) consent to request Florida Department of Education (FLDOE) adds NMSCC/JLC courses to the state Course Code Directory.

**SUMMARY EXPLANATION AND BACKGROUND:**  
Broward County Public Schools (BCPS) has been offering elective JROTC like courses in the middle schools for many years. The popular courses that are currently being offered use a generic "Research" course code because the state does not have the appropriate course available. It has been challenging to pair qualified instructors and curriculum to support the desired outcomes of the program. BCPS is proposing the National Middle School Corps of Cadets be state approved as this will standardize the content and flow of the current JROTC like middle school programs for grades 6-8. Upon approval, BCPS will submit these three course descriptions to the Florida Department of Education (FLDOE) and request addition to the state Course Code Directory.
