EXECUTIVE SUMMARY

2016 Opening and Closing School Times (Summer Term)

School times are scheduled to open and close at times that will best utilize existing resources to provide required student transportation services and compensate for student and program growth. In order to improve efficiency, Student Transportation & Fleet Services (STFS) has staggered summer school times to offset the non-funded “Summer Academy for Third Grade Promotion” program and to maximize the utilization of our school bus fleet.

STFS in collaboration with the School Performance & Accountability office has reviewed and approved both the school site locations and opening and closing summer school times.
