SUMMARY EXPLANATION AND BACKGROUND:

After advertisement, and receipt of proposals but before and the Qualification Selection and Evaluation Committee ("QSEC") meeting which took place on February 24, 2016, it was determined by the Office of the General Counsel that this and other RFQs for multiple projects do not align with the membership composition requirements for QSEC as set forth in Board Policy 7003. Accordingly, staff issued Addendum 2 which stated that RFQ 16-093F would be terminated and indicated that individual RFQs would be issued following future Board approval. Procurement & Warehousing Services has also posted a revised recommendation/tabulation that indicated all proposals are rejected and that the District will issue a revised solicitation for the award of design agreements for individual projects.

Notice to Proceed Date:	NA
Budget:	NA

GENERAL OVERVIEW:

The intent is for Board approval to reject all proposals for RFQ 16-093F which seeks Professional Design Services for multiple school projects including Oakridge Elementary School, Pompano Beach Middle School and Pompano Beach Elementary School. The Board originally approved Advertisement of RFQ 16-093F on December 8, 2015 at its Regular School Board Meeting.

After advertisement, receipt of proposals and the Qualification Selection and Evaluation Committee ("QSEC") meeting which took place on February 24, 2016, it was determined by the Office of the General Counsel that this and other RFQs for multiple projects do not align with the membership composition requirements for QSEC as set forth in Board Policy 7003. Procurement and Warehousing Services has also posted a revised recommendation/tabulation that indicated all proposals are rejected and that the District will issue a revised solicitation for the award of design agreements for individual projects.

Individual Authorizations to Advertise separate RFQs are being presented to the Board for its approval. Scheduled completion dates for these projects will not be impacted.
