

Continuation of Summary Explanation and Background:

Section 1002.331(7)(c), Florida Statutes, states, “A charter may be modified during its initial term or any renewal term upon the recommendation of the sponsor or the charter school’s governing board and the approval of both parties to the agreement. Modification may include, but is not limited to, consolidation of multiple charters into a single charter if the charters are operated under the same governing board and physically located on the same campus, regardless of the renewal cycle.”

The Learning Excellence Foundation of West Broward County, Inc., on behalf of Imagine Charter School at Weston – 5111, desires to amend its Charter School Agreement by modifying the grade levels served to include those grade 6-8 students previously enrolled in Imagine Middle School West – 5042, which has been operated by Imagine West Broward, Inc., thereby establishing a consolidated K-8 charter school. It also desires to increase its contract capacity from 1050 to 1075 students. The current location of the school has provided documentation that supports this increase.

Imagine West Broward, Inc., on behalf of Imagine Middle School West – 5042, desires to conclude its Charter School Agreement, as of June 30, 2016, as part of the consolidation of the two charter schools.
