Dear Ms. Perry:

The Learning Excellence Foundation of West Broward County Inc. dba Imagine Charter School at Weston (MSID #5111) and Imagine West Broward Inc. dba Imagine Middle School West (MSID # 5042) would like to consolidate. Please consider this request under Florida Statutes Section 1002.33(7) (c).

Florida Statute Section 1002.33(7) (c) states: "A charter may be modified during its initial term or any renewal term upon the recommendation of the sponsor or the charter school's governing board and the approval of both parties to the agreement. Modification may include, but is not limited to, consolidation of multiple charters into a single charter if the charters are operated under the same governing board and physically located on the same campus, regardless of the renewal cycle."

Imagine Weston (MSID #5111) and Imagine West Middle (MSID #5042) have the same Board members on their respective Boards. In addition, they are physically located on the same campus. Both Boards are requesting that the schools be consolidated as one school maintaining the name of The Learning Excellence Foundation of West Broward County, Inc. dba Imagine Charter School at Weston with the MSID #5111.

I am attaching a copy of Imagine Weston's CO and a copy of the Architect's certification of the capacity sent to Captain Oberrieth, Fire Marshall at the City of Weston, and an e-mail sent to the Facilities Department at the SBBC.

Imagine Weston currently meets the State Class Size Reduction requirements and will continue to do so through this consolidation. There are a total of 51 classrooms. This year 3 of the classrooms are being used for "specials" and/or pullout rooms. However, if the enrollment changes, these classrooms may be used as academic classrooms and will not exceed the Architect's certification capacity or class size reduction.

On behalf of both Boards, I am thanking you for your prompt attention to this matter. If you have any questions and/or concerns, please feel free to contact me.

Sincerely,

Patrick Sandoe
