Dear Mr. Deloache:

The above-referenced contract expires June 30, 2016. In accordance with Special Condition 6 of this bid, this contract may, by mutual agreement and upon School Board approval, be renewed for an additional year from July 1, 2016 through June 30, 2017. This letter does not constitute the actual renewal or a contract offer. Please indicate below your willingness to renew this bid award, which shall be considered by the school district for renewal of your award premised upon your continued agreement to all terms and conditions of the awarded bid and your agreement to maintain (or reduce) the current awarded prices for Item 1. Please execute this document on the space provided and return it to my attention no later than May 18, 2016. For our informational backup, when going to our Board to approve any renewal, if this bid is not renewed and SBBC goes out for a new bid, would your prices remain the same, would your prices be lower or would your prices increase?

If this bid is not renewed, prices in the new bid would stay the same ____ (check if yes)

If this bid is not renewed, prices in the new bid would be lower ____ (check if yes)

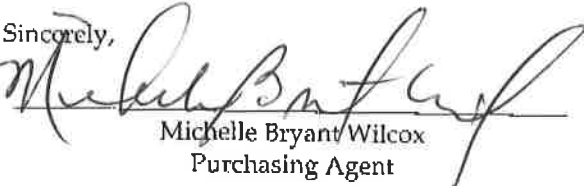

If this bid is not renewed, prices in the new bid would be higher ____ (check if yes)

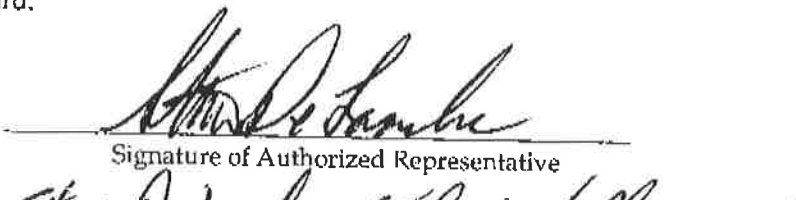

If you checked off that the prices would be higher in a new bid, by what percentage would the prices be higher compared to the prices in Bid 15-002R. Indicate the percentage if you checked off that your prices would be higher in a new bid ____%.

If you do not respond by May 18, 2016, the school district will not consider renewal of your award. The school district will notify you if, and when, your contract award is renewed. Thank you for your prompt attention to this matter.
