REQUESTED ACTION:
Approve Data Sharing Agreement (DSA) with The Children's Services Council (CSC) of Broward County.

SUMMARY EXPLANATION AND BACKGROUND:
The School Board of Broward County (SBBC), Florida, and the Children's Services Council are committed to improve child outcomes by supporting programs with a focus on school readiness, academic and social achievement, family services, and aligned extended care. On June 24, 2014, The School Board approved an agreement for CSC access of aggregate student data for purposes of program evaluation. The current Data Sharing Agreement will expire on June 30, 2016. This new agreement adds data fields for College and Career Readiness, homelessness, and post secondary follow-up, and will provide the tools necessary to analyze student achievement for Council funded programs. This agreement has been reviewed and approved as to form and legal content by the Office of the General Counsel. The CSC will sign the agreement following School Board Approval.
