Expenditures which support provider activities not solely authorized under this contract must be allocated in accordance with applicable laws, rules and regulations, and the allocation methodology must be documented and supported by competent evidence.

Provider must maintain sufficient documentation of all expenditures incurred (e.g. invoices, canceled checks, payroll detail, bank statements, etc.) under this contract which evidences that expenditures are:

      - 1) allowable under the contract and applicable laws, rules and regulations;
      - 2) reasonable; and
      - 3) necessary in order for the recipient or subrecipient to fulfill its obligations under this contract.

The aforementioned documentation is subject to review by the Department and/or the State Chief Financial Officer and the provider will timely comply with any requests for documentation.
  - b. Financial Report. To submit an annual financial report stating, by line item, all expenditures made as a direct result of services provided through the funding of this contract to the Department within 45 days of the end of the contract. If this is a multi-year contract, the provider is required to submit a report within 45 days of the end of each year of the contract. Each report must be accompanied by a statement signed by an individual with legal authority to bind recipient or subrecipient by certifying that these expenditures are true, accurate and directly related to this contract.

To ensure that funding received under this contract in excess of expenditures is remitted to the Department within 45 days of the earlier of the expiration of, or termination of, this contract.
9. Public Records. Keep and maintain public records that ordinarily and necessarily would be required by the provider in order to perform the service; provide the public with access to such public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed that provided in Chapter 119, F.S., or as otherwise provided by law; ensure that public records that are exempt or that are confidential and exempt from public record requirements are not disclosed except as authorized by law; and meet all requirements for retaining public records and transfer to the public agency, at no cost, all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the agency.

**E. Monitoring by the Department**

To permit persons duly authorized by the Department to inspect any records, papers, documents, facilities, goods, and services of the provider, which are relevant to this contract, and interview any clients and employees of the provider to assure the Department of satisfactory performance of the terms and conditions of this contract. Following such evaluation the Department will deliver to the provider a written report of its findings and will include written recommendations with regard to the provider's performance of the

08/13

terms and conditions of this contract. The provider will correct all noted deficiencies identified by the Department within the specified period of time set forth in the recommendations. The provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the Department, result in any one or any combination of the following: (1) the provider being deemed in breach or default of this contract; (2) the withholding of payments to the provider by the Department; and (3) the termination of this contract for cause.

**F. Indemnification**

1. The provider shall be liable for and shall indemnify, defend, and hold harmless the Department and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by the provider, its agents, or employees during the performance or operation of this contract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
2. The provider's inability to evaluate liability or its evaluation of liability shall not excuse the provider's duty to defend and indemnify within seven (7) days after such notice by the Department is given by certified mail. Only adjudication or judgment after highest appeal is exhausted specifically finding the provider not liable shall excuse performance of this provision. The provider shall pay all costs and fees related to this obligation and its enforcement by the Department. The Department's failure to notify the provider of a claim shall not release the provider of the above duty to defend. **NOTE: Paragraph I.F.1. and I.F.2. are not applicable to contracts executed between state agencies or subdivisions, as defined in §768.28, F.S.**

**G. Insurance**

To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this contract and any renewal(s) and extension(s) of it. Upon execution of this contract, unless it is a state agency or subdivision as defined by §768.28, F.S., the provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the provider and the clients to be served under this contract. The limits of coverage under each policy maintained by the provider do not limit the provider's liability and obligations under this contract. Upon the execution of this contract, the provider shall furnish the Department written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Department reserves the right to require additional insurance as specified in Attachment I where appropriate.

**H. Safeguarding Information**

Not to use or disclose any information concerning a recipient of services under this contract for any purpose not in conformity with state and federal law or regulations except upon written consent of the recipient, or the responsible parent or guardian when authorized by law.

**I. Assignments and Subcontracts**

1. To neither assign the responsibility of this contract to another party nor subcontract for any of the work contemplated under this contract without prior written approval of the Department, which shall not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring shall be null and void.
2. The provider shall be responsible for all work performed and all expenses incurred with the project. If the Department permits the provider to subcontract all or part of the work contemplated under this contract, including entering into subcontracts with vendors for services and commodities, it is understood by the provider that the Department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The provider, at its expense, will defend the Department against such claims.
3. The State of Florida shall at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this contract to another governmental agency in the State of Florida, upon giving prior written notice to the provider. In the event the State of Florida approves transfer of the provider's obligations, the provider remains responsible for all work performed and all expenses incurred in connection with the contract. In addition, this contract shall bind the successors, assigns, and legal representatives of the provider and of any legal entity that succeeds to the obligations of the State of Florida.
4. The contractor shall provide a monthly Subcontractor Expenditure Report summarizing the participation of certified and non-certified minority subcontractors/material suppliers for the current month, and project to date. The report shall include the names, addresses, and dollar amount of each certified and non-certified MBE participant, and a copy must be forwarded to the Contract Manager of the Department of Health. The Office of Supplier Diversity (850-487-0915) will assist in furnishing names of qualified minorities. The Department of Health, Minority Coordinator (850-245-4199) will assist with questions and answers.
5. Unless otherwise stated in the contract between the provider and subcontractor, payments made by the provider to the subcontractor must be within seven (7) working days after receipt of full or partial payments from the Department in accordance with §287.0585, F.S. Failure to pay within seven (7) working days will result in a penalty charged against the provider and paid by the provider to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

**J. Return of Funds**

To return to the Department any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this contract that were disbursed to the provider by the Department. In the event that the provider or its independent auditor discovers that overpayment has been made, the provider shall repay said overpayment within 40 calendar days without prior notification from the Department. In the event that the Department first discovers an overpayment has been made, the Department will notify the provider by letter of such a finding. Should repayment not be made in a timely manner, the Department will charge interest of one (1) percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.

**K. Incident Reporting**

Abuse, Neglect, and Exploitation Reporting

In compliance with Chapter 415, F.S., an employee of the provider who knows or has reasonable cause to suspect that a child, aged person, or disabled adult is or has been abused, neglected, or exploited shall immediately report such knowledge or suspicion to the Florida Abuse Hotline on the single statewide toll-free telephone number (1-800-96ABUSE).

1. It is agreed that any articles which are the subject of, or are required to carry out this contract shall be purchased from Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE) identified under Chapter 946, F.S., in the same manner and under the procedures set forth in §946.515(2) and §(4), F.S. For purposes of this contract, the provider shall be deemed to be substituted for the Department insofar as dealings with PRIDE. 3. MyFloridaMarketPlace Vendor Registration

Each vendor doing business with the State of Florida for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, shall register in the MyFloridaMarketPlace system, unless exempted under Rule 60A-1.030(3) F.A.C.

4. MyFloridaMarketPlace Transaction Fee

The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide procurement system. Pursuant to §287.057(23), F.S. (2008), all payments shall be assessed a Transaction Fee of one percent (1.0%), which the provider shall pay to the State.

For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the vendor. If automatic deduction is not possible, the vendor shall pay the Transaction Fee pursuant to Rule 60A-1.031(2), F.A.C. By submission of these reports and corresponding payments, vendor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

The provider shall receive a credit for any Transaction Fee paid by the provider for the purchase of any item(s) if such item(s) are returned to the provider through no fault, act, or omission of the provider. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item is rejected or returned, or declined, due to the vendor's failure to perform or comply with specifications or requirements of the agreement. Failure to comply with these requirements shall constitute grounds for declaring the vendor in default and recovering reprocurement costs from the vendor in addition to all outstanding fees. Providers delinquent in paying transaction fees may be excluded from conducting future business with the State.

**N. Civil Rights Requirements**

Civil Rights Certification: The provider will comply with applicable provisions of Department of Health publication, "Methods of Administration, Equal Opportunity in Service Delivery."

2. Except where the provider is a state agency, the provider, its officers, agents, employees, subcontractors, or assignees, in performance of this contract, shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida. Nor shall the provider represent to others that it has the authority to bind the Department unless specifically authorized to do so.
3. Except where the provider is a state agency, neither the provider, its officers, agents, employees, subcontractors, nor assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this contract.
4. The provider agrees to take such actions as may be necessary to ensure that each subcontractor of the provider will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.
5. Unless justified by the provider and agreed to by the Department in Attachment I, the Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the provider, or its subcontractor or assignee.
6. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds, and all necessary insurance for the provider, the provider's officers, employees, agents, subcontractors, or assignees shall be the responsibility of the provider.

1. If any discovery or invention arises or is developed in the course or as a result of work or services performed under this contract, or in anyway connected herewith, the provider shall refer the discovery or invention to the Department to be referred to the Department of State to determine whether patent protection will be sought in the name of the State of Florida. Any and all patent rights accruing under or in connection with the performance of this contract are hereby reserved to the State of Florida.
2. In the event that any books, manuals, films, or other copyrightable materials are produced, the provider shall notify the Department of State. Any and all copyrights accruing under or in connection with the performance under this contract are hereby reserved to the State of Florida.
3. The provider, without exception, shall indemnify and save harmless the State of Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by the provider. The provider has no liability when such claim is solely and exclusively due to the Department of State's alteration of the article. The State of Florida will provide prompt written notification of claim of copyright or patent infringement. Further, if such claim is made or is pending, the provider may, at its option and expense, procure for the Department of State, the right to continue use of, replace, or modify the article to render it non-infringing. Any state funds provided for the purchase of or improvements to real property are contingent upon the provider granting to the state a security interest in the property at least to the amount of the state funds provided for at least (5) years from the date of purchase or the completion of the improvements or as further required by law. As a condition of a receipt of state funding for this purpose, the provider agrees that, if it disposes of the property before the Department's interest is vacated, the provider will refund the proportionate share of the state's initial investment, as adjusted by depreciation.
