REQUESTED ACTION:
Approve the Agreement between The School Board of Broward County, Florida and Carlton Palms Educational Center, Inc.

SUMMARY EXPLANATION AND BACKGROUND:
<p>Florida Administrative Code 6A 6.0361 Contractual Agreements with Non Public Schools allows Broward County Public School (District) to contract with a residential facility when another public agency has placed the student for non-educational purposes. Carlton Palms is a residential facility that serves clients referred by agencies of the State of Florida, including but not limited to the Agency for Persons with Disabilities (APD). APD independently agrees to place students at Carlton Palms for non-educational purposes. For District students, the District determines that these students do not need residential placement for educational purposes and develops an IEP that provides the appropriate program at one of the District's center schools.</p> <p>See supporting Docs for continuation of Summary Explanation and Background.</p>
