SUMMARY EXPLANATION AND BACKGROUND:

Since 1991, The School Board of Broward County, Florida, in partnership with the Broward Center for the Performing Arts, has presented the national award-winning Student Enrichment in the Arts (SEAS) program. On May 4, 2016, Eric Mehmi from Croissant Park Elementary School was recognized and celebrated as the 3 millionth student to participate in our SEAS program. The SEAS program continues to offer a unique style of learning by integrating theatrical performances in dance, music and drama into the student's education. SEAS brings to life storybooks and novels on stage. Each and every performance includes a study guide that links the performance to Florida State Standards. Approximately 165 performances benefiting 131,168 students will take place in theaters and at schools during the 2016-2017 school year at a cost factor to the District of a little more than $2.00 per student.
