TITLE:
Revise 2016-2017 Opening and Closing School Times

REQUESTED ACTION:
Approve the revised opening and closing school times for the 2016-2017 school year as a result of the one-hour, additional instructional time added to the elementary schools which fell into the "Lowest 300 Performing Elementary Schools" category.

SUMMARY EXPLANATION AND BACKGROUND:
During the 2016-2017 school year, instructional time will be extended one hour for those students who attend the 300 lowest performing elementary schools as directed by the state. The lowest 300 elementary schools are determined based on the reading performance and learning gains points each school earns in the school grades model. This list will not change even if a school's reading points change as a result of the school grades' appeal process. This is done to ensure districts can plan appropriately and in as timely a manner as possible. Revisions must be made to the opening and closing times of these schools to reflect the additional time required by the state or the reduction of time due to improved performance.

SCHOOL BOARD GOALS:

FINANCIAL IMPACT:
School times are scheduled to minimize operational costs to the District. Seven additional buses had to be placed in service to accommodate the lowest 300 elementary schools at a cost of approximately \$350,000 (\$50,000 per bus). Colbert requires four additional buses, Bennett requires two additional buses and Oakland Park Elementary Schools requires one additional bus.
