Stat. and the Family Educational Rights and Privacy Act (FERPA, 20 U.S.C. § 1232g) and its implementing regulations (34 C.F.R. Part 99), protect the privacy rights of students and their parents with respect to information and records created and/or maintained by public schools. The student personally identifiable information (PII) may be disclosed only in compliance with FERPA. Pursuant to FERPA, the information provided by SBBC shall be limited to that which is necessary to effectively serve the student.

Each party participating in this Agreement further agrees to:

(1) Hold the student records and information in strict confidence and not use or disclose except as required by this Agreement or as required or permitted by law unless the parent of a student provides prior written consent for their release. (3) Continually monitor its operations and take all actions necessary to assure that the student information and records are safeguarded in accordance with the terms of this Agreement, and

(4) Ensure that all employees, appointees or agents of each party to this Agreement who are granted access to shared student records will have successfully completed (a) the background screening requirements under Section 435.04, Florida Statutes, under Level 2 screening standards and (b) a FERPA training webinar, as it may become available, at the U.S. Department of Education, Privacy Technical Assistance Center website:

A breach of the confidentiality requirements shall constitute grounds for immediate termination of this Agreement without advance notice. Any provisions within this Agreement concerning the resolution of disputes shall not be applicable to a breach of the requirements stated herein above.

This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such student records are returned to The School Board of Broward County, Florida ("SBBC") or disposed of in compliance with the applicable Florida Retention Schedules and a written acknowledgment of said disposition is provided to SBBC.
