 LL-2. Executive Summary
 Premium Services Agreements Approval**

The Venture Design Initiative was created to provide fee-supported premium services to charter schools, beyond the services required by Section 1002.33, Florida Statutes. This initiative is in its fourth year of operation and is strategically aligned under the Portfolio Services Division within the Innovative Programs Design/Support Department. Surveys continue to reveal the need for premium services to be provided to these schools as permitted by Section 1002.33(20)(b), Florida Statutes.

The attached agreements delineate the negotiated terms as well as the structure and components that comprise the fee-supported services. The terms of the agreements are from September 7, 2016, to June 30, 2017.

The estimated positive revenue to the District for the 2016-2017 Premium Services Agreements will be based on the actual number of services requested and delivered to the pertinent charter schools.

These agreements have been reviewed and approved as to form and legal content by the Office of the General Counsel.

The parties agree that the failure of the School to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. The School agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting in the School's failure to comply with the requirements of this Section or with Sections 1012.32 and 1012.465, Florida Statutes.

Execution of this Agreement does not ensure availability of a service. In addition, certain services that may be sought by the School under Exhibits B and F have additional requirements for participation by a sufficient number of charter schools in order for SBBC to make appropriate staff available to provide the requested services. The Principal of the School and SBBC staff will confirm the availability of service after execution of the Work Order Form. Absent consent from the parent or eligible student, student records and information will not be disclosed except as allowed by the aforementioned laws;

(2) safeguard the student records through administrative, physical and technological safety standards to ensure adequate controls are in place to protect these records in accordance with FERPA's privacy requirements and that all shared student records it discloses will carry a warning regarding the confidential nature of such information and protocols concerning further dissemination consistent with this Agreement;

(3) continually monitor its operations and take all actions necessary to assure that the student information and records are safeguarded in accordance with the terms of this Agreement; and

(4) ensure that all employees, appointees or agents of any party who are granted access to shared student records will have successfully completed background screening requirements under Section 435.04, Florida Statutes, under Level 2 screening standards.

A breach of the confidentiality requirements shall constitute grounds for immediate termination of this Agreement with any party without advance notice.

ARTICLE 3 – GENERAL CONDITIONS

3.01 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. Notwithstanding any other provisions in this Agreement including, without limitation, Section 3.05 or Exhibits B or F, the parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third

party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

3.03 Independent Contractor. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, and contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

3.05 Termination. This Agreement may be canceled with or without cause by either party during the term hereof upon Thirty (30) days written notice to the other party of its desire to terminate this Agreement. In such event, no further premium services will be provided by SBBC after the effective date of termination. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under Exhibits B or F will terminate without refund or any additional notice or action from SBBC.

3.06 Default. The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party, Thirty (30) days written notice to cure the default. However, in the event said default cannot be cured within said Thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon Thirty (30) days notice. This remedy

is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. A default under this Agreement does not constitute a default under any other agreements between the parties.

3.07 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. Interest shall be calculated using the interest rate for judgments under Section 55.03, Florida Statutes, applicable at the time the erroneous payment or overpayment was made by SBBC.

3.08 Public Records. Pursuant to Section 119.0701, Florida Statutes, any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost, to SBBC all public records in that party's possession upon termination of its contract with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

3.09 Student Records. Notwithstanding any provision to the contrary within this Agreement, any party contracting with SBBC under this Agreement shall fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222 Florida Statutes, FERPA, or any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or

losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22, 1002.221 and/or 1002.222 Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations or as the student records are destroyed in accordance with the Florida Retention Schedules or are returned to SBBC, whichever is earlier.

3.10 Compliance with Laws. Each party shall comply with all applicable federal and state laws, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.14 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.15 Assignment. Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.16 Incorporation by Reference. Exhibits A through I are attached hereto and referenced herein, and shall be deemed to be incorporated into this Agreement by reference.

The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.20 Amendments. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.21 Waiver. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

(4) ensure that all employees, appointees or agents of any party who are granted access to shared student records will have successfully completed background screening requirements under Section 435.04, Florida Statutes, under Level 2 screening standards.

A breach of the confidentiality requirements shall constitute grounds for immediate termination of this Agreement with any party without advance notice.

ARTICLE 3 – GENERAL CONDITIONS

3.01 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. Notwithstanding any other provisions in this Agreement including, without limitation, Section 3.05 or Exhibits B or F, the parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third

party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

This Agreement may be canceled with or without cause by either party during the term hereof upon Thirty (30) days written notice to the other party of its desire to terminate this Agreement. In such event, no further premium services will be provided by SBBC after the effective date of termination. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under Exhibits B or F will terminate without refund or any additional notice or action from SBBC.

3.06 Default. The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party, Thirty (30) days written notice to cure the default. However, in the event said default cannot be cured within said Thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon Thirty (30) days notice. This remedy

is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. A default under this Agreement does not constitute a default under any other agreements between the parties.

3.07 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. Interest shall be calculated using the interest rate for judgments under Section 55.03, Florida Statutes, applicable at the time the erroneous payment or overpayment was made by SBBC.

3.08 Public Records. Pursuant to Section 119.0701, Florida Statutes, any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost, to SBBC all public records in that party's possession upon termination of its contract with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or

losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22, 1002.221 and/or 1002.222 Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations or as the student records are destroyed in accordance with the Florida Retention Schedules or are returned to SBBC, whichever is earlier.

A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.22 Force Majeure. (4) ensure that all employees, appointees or agents of any party who are granted access to shared student records will have successfully completed background screening requirements under Section 435.04, Florida Statutes, under Level 2 screening standards.

A breach of the confidentiality requirements shall constitute grounds for immediate termination of this Agreement with any party without advance notice.

ARTICLE 3 – GENERAL CONDITIONS

3.01 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. Notwithstanding any other provisions in this Agreement including, without limitation, Section 3.05 or Exhibits B or F, the parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third

party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

3.03 Independent Contractor. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. This Agreement may be canceled with or without cause by either party during the term hereof upon Thirty (30) days written notice to the other party of its desire to terminate this Agreement. In such event, no further premium services will be provided by SBBC after the effective date of termination. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under Exhibits B or F will terminate without refund or any additional notice or action from SBBC.

The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party, Thirty (30) days written notice to cure the default. However, in the event said default cannot be cured within said Thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon Thirty (30) days notice. This remedy

is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. A default under this Agreement does not constitute a default under any other agreements between the parties.

3.07 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. Interest shall be calculated using the interest rate for judgments under Section 55.03, Florida Statutes, applicable at the time the erroneous payment or overpayment was made by SBBC.

3.08 Public Records. Pursuant to Section 119.0701, Florida Statutes, any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost, to SBBC all public records in that party's possession upon termination of its contract with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

3.09 Student Records. Notwithstanding any provision to the contrary within this Agreement, any party contracting with SBBC under this Agreement shall fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222 Florida Statutes, FERPA, or any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or

losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22, 1002.221 and/or 1002.222 Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations or as the student records are destroyed in accordance with the Florida Retention Schedules or are returned to SBBC, whichever is earlier.

Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. Possible types of referrals to the Behavior Intervention Program include:

A breach of the confidentiality requirements shall constitute grounds for immediate termination of this Agreement with any party without advance notice.

ARTICLE 3 – GENERAL CONDITIONS

3.01 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. In such event, no further premium services will be provided by SBBC after the effective date of termination. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under Exhibits B or F will terminate without refund or any additional notice or action from SBBC.

is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. A default under this Agreement does not constitute a default under any other agreements between the parties.

3.07 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. Interest shall be calculated using the interest rate for judgments under Section 55.03, Florida Statutes, applicable at the time the erroneous payment or overpayment was made by SBBC.

Pursuant to Section 119.0701, Florida Statutes, any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost, to SBBC all public records in that party's possession upon termination of its contract with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or

losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22, 1002.221 and/or 1002.222 Florida Statutes. School staff will contact the Student Services Office for questions and consultation regarding best practices, policy clarification and intervention to remediate the above issues. Many levels of services and personnel, as well as a menu of strategies, are required to implement the BTIP process with fidelity. For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. After any administration, initial or make-up, materials must be returned immediately to the school assessment coordinator and placed in locked storage. Secure materials should not remain in classrooms or be taken out of the building overnight. The use of untrained test administrators increases the risk of test invalidation due to test irregularities or breaches in test security. Inappropriate actions by school personnel will result in further investigation, possible loss of teaching certification, and termination of this Agreement; and

The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee unless additional test books are ordered, in which case the initial fee per second grade student will be incurred for those students for whom test booklets were ordered. The subsequent fee includes answer sheets, scanning and scoring of student answer documents and reporting test results. Charter schools may choose to participate in the CogAT for an initial fee of Six Dollars (\$6.00) per assessment per second grade student. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee of Two Dollars (\$2.00) per second grade student, unless additional test books are ordered, in which case a Six Dollar (\$6.00) fee per student will be incurred for those second grade students for whom test booklets were ordered. Total price for one academic year of School Social Work services will be prorated based on the number of service weeks available in this Agreement's terms of service and upon approval of this Agreement. School Social Work services include:

a. Liaison services between the School, a student's home and the community. Liaisons act as advocates for students and their families in obtaining necessary school and community services;

Completion of assessment referrals is contingent upon the School providing adequate notice to the Social Worker and scheduling a required amount of time with the Social Worker;

c. Consultation in the areas of Tier 1 attendance processes, educational planning consultations, mental health, and cultural, developmental and environmental factors affecting students and families including, but not limited to, teenage pregnancy and parenting, child abuse, neglect, and homelessness;

2) **Additional Social Work** services are available to Premium Service Partners for an additional fee. Additional social work services include:

a. **Broward Truancy Intervention Program (BTIP).** The need for the Broward Truancy Intervention Program arises when a student exhibits behaviors consistent with a pattern of nonattendance. If the School chooses to request BTIP services, the School must have documentation of implemented interventions that have been unsuccessful in remediating patterns of nonattendance. School staff will contact the Student Services Office for questions and consultation regarding best practices, policy clarification and intervention to remediate the above issues. Many levels of services and personnel, as well as a menu of strategies, are required to implement the BTIP process with fidelity. The price for referring one student to the BTIP process is Three Hundred Twenty-Four Dollars (\$324.00).

b. **Parent or Student Workshops** presented by Social Workers may be available after contracted hours from SBBC to inform parents, students, or school staff on a variety of topics, at the request of a charter school. c. **Behavior Intervention Program** is a structured assignment process for students who, according to the most recent Behavior Intervention Program Handbook, “exhibit severe, unmanageable behavior that cannot be adequately controlled in a traditional school setting” to attend an SBBC Behavior Intervention Site. For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. The price of referring one student to the Behavior Intervention Program is either One Thousand Nine Hundred Sixty Dollars (\$1,960.00) or Six Hundred Eighty-Four Dollars (\$684.00), depending on the referred student’s educational program referral history and current educational program placement. Total price will be agreed upon between the School’s Principal and Innovative Programs Design/Support Department prior to initiation of services. Referral to the Behavior Intervention Program does not ensure recommendation for placement into a Behavior Intervention Site. If the recommendation

is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under this exhibit will terminate without any additional notice or action from SBBC unless SBBC enters into a Premium Services Agreement with another charter school seeking premium services under this exhibit within Thirty (30) days of the termination of SBBC's contract with the earlier pooled Premium Services Partner. The School agrees that it is entirely within SBBC's discretion to identify those available Premium Services Partners with whom the School will be pooled in order for SBBC to provide premium services under this exhibit.

ARTICLE 3 – GENERAL CONDITIONS

Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. Notwithstanding any other provisions in this Agreement including, without limitation, Section 3.05 or Exhibits B or F, the parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. After any administration, initial or make-up, materials must be returned immediately to the school assessment coordinator and placed in locked storage. Secure materials should not remain in classrooms or be taken out of the building overnight. The use of untrained test administrators increases the risk of test invalidation due to test irregularities or breaches in test security. Inappropriate actions by school personnel will result in further investigation, possible loss of teaching certification, and termination of this Agreement; and

4) Refer and abide by SBBC's 2016-2017 Student Assessment and Research District-wide Testing Calendar and notification from the Student Assessment and Research Department for mandatory session schedules of and procedures for voluntary district-wide assessments.

The SBBC will:

Schools are required to score and enter these assessments within two weeks after testing in order for results to be uploaded to TERMS. Schools that opt to participate in the Primary Reading Mid-Year and EOY and the Mathematics EOY Assessments will incur a fee of Two Dollars (\$2.00) per assessment per student.

Charter schools may choose to participate in the CogAT for an initial fee per assessment per student in the second grade. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee unless additional test books are ordered, in which case the initial fee per second grade student will be incurred for those students for whom test booklets were ordered. The subsequent fee includes answer sheets, scanning and scoring of student answer documents and reporting test results. Charter schools may choose to participate in the CogAT for an initial fee of Six Dollars (\$6.00) per assessment per second grade student. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee of Two Dollars (\$2.00) per second grade student, unless additional test books are ordered, in which case a Six Dollar (\$6.00) fee per student will be incurred for those second grade students for whom test booklets were ordered. A School Social Worker will be assigned to serve Fifteen (15) charter schools. Total price for one academic year of School Social Work services will be prorated based on the number of service weeks available in this Agreement's terms of service and upon approval of this Agreement. School Social Work services include:

a. Liaison services between the School, a student's home and the community. Liaisons act as advocates for students and their families in obtaining necessary school and community services;

b. Assessments including family, psychosocial, and behavior scales. Assessment referrals may take up to Ten (10) hours to complete. Completion of assessment referrals is contingent upon the School providing adequate notice to the Social Worker and scheduling a required amount of time with the Social Worker;

c. Consultation in the areas of Tier 1 attendance processes, educational planning consultations, mental health, and cultural, developmental and environmental factors affecting students and families including, but not limited to, teenage pregnancy and parenting, child abuse, neglect, and homelessness;

2) Additional Social Work services are available to Premium Service Partners for an additional fee. Additional social work services include:

a. **Broward Truancy Intervention Program (BTIP).** The need for the Broward Truancy Intervention Program arises when a student exhibits behaviors consistent with a pattern of nonattendance. If the School chooses to request BTIP services, the School must have documentation of implemented interventions that have been unsuccessful in remediating patterns of nonattendance. School staff will contact the Student Services Office for questions and consultation regarding best practices, policy clarification and intervention to remediate the above issues. Many levels of services and personnel, as well as a menu of strategies, are required to implement the BTIP process with fidelity. The price for referring one student to the BTIP process is Three Hundred Twenty-Four Dollars (\$324.00).

b. **Parent or Student Workshops** presented by Social Workers may be available after contracted hours from SBBC to inform parents, students, or school staff on a variety of topics, at the request of a charter school. The price of a One (1) hour workshop is Two Hundred Sixty-Eight Dollars (\$268.00).

c. **Behavior Intervention Program** is a structured assignment process for students who, according to the most recent Behavior Intervention Program Handbook, “exhibit severe, unmanageable behavior that cannot be adequately controlled in a traditional school setting” to attend an SBBC Behavior Intervention Site. For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. The price of referring one student to the Behavior Intervention Program is either One Thousand Nine Hundred Sixty Dollars (\$1,960.00) or Six Hundred Eighty-Four Dollars (\$684.00), depending on the referred student’s educational program referral history and current educational program placement. Total price will be agreed upon between the School’s Principal and Innovative Programs Design/Support Department prior to initiation of services. Referral to the Behavior Intervention Program does not ensure recommendation for placement into a Behavior Intervention Site. If the recommendation

is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

D. Pooled Premium Services. Any services requested by the School under this exhibit are subject to a requirement that Fifteen (15) charter schools ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under this exhibit will terminate without any additional notice or action from SBBC unless SBBC enters into a Premium Services Agreement with another charter school seeking premium services under this exhibit within Thirty (30) days of the termination of SBBC's contract with the earlier pooled Premium Services Partner. The School agrees that it is entirely within SBBC's discretion to identify those available Premium Services Partners with whom the School will be pooled in order for SBBC to provide premium services under this exhibit.

A breach of the confidentiality requirements shall constitute grounds for immediate termination of this Agreement with any party without advance notice.

ARTICLE 3 – GENERAL CONDITIONS

3.01 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. Notwithstanding any other provisions in this Agreement including, without limitation, Section 3.05 or Exhibits B or F, the parties expressly acknowledge that it is not their intent to create or confer any rights or

obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. A default under this Agreement does not constitute a default under any other agreements between the parties.

3.07 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. 2) Assign to a School Assessment Coordinator the responsibility of picking up all assessments from 4200 NW 10th Avenue, Oakland Park, FL 33309 and returning all used and unused materials as directed for the particular assessment within Two (2) days of testing administration completion to Student Assessment Department located at 4200 NW 10th Avenue, Oakland Park, FL 33309;

3) Maintain the security of the assessments. School personnel are prohibited from examining or copying the test items and/or the contents of the test. The security of all test materials must be maintained before, during, and after the test administration. After any administration, initial or make-up, materials must be returned immediately to the school assessment coordinator and placed in locked storage. Secure materials should not remain in classrooms or be taken out of the building overnight. The use of untrained test administrators increases the risk of test invalidation due to test irregularities or breaches in test security. Inappropriate actions by school personnel will result in further investigation, possible loss of teaching certification, and termination of this Agreement; and

4) Refer and abide by SBBC's 2016-2017 Student Assessment and Research District-wide Testing Calendar and notification from the Student Assessment and Research Department for mandatory session schedules of and procedures for voluntary district-wide assessments.

The SBBC will:

1) Determine quantity of assessments for the School based on the most recent enrollment numbers at the time of assessment distribution;

2) Coordinate withholding of FTE funds;

3) Package and prepare requested assessments for pick up by the School; and

4) After receiving returned assessments from the School, scan and produce scores for all students who were correctly identified and tested for applicable assessments.

B. Voluntary District-wide Assessments.

1) **Interim Assessments.** Interim assessments monitor progress of students towards mastery of the Florida Standards. Data from Interim Assessments enable classroom teachers to modify instruction in order to provide additional support and interventions to students. The School agrees to purchase all subtests assigned to each chosen grade level. The price of each Interim Assessment will be established and communicated to the School through notifications from the Student Assessment and Research Department during the term of this Agreement. The School shall agree to the price of the Interim Assessments through a Work Order.

2) **Primary Reading Mid-Year and End-of-Year (EOY) and Primary Mathematics EOY Assessments.** The District developed these assessments to assess Florida Standards and developed the EOYs to be used as promotion criteria in grades One (1) and Two (2) in 2016-2017. Schools are required to score and enter these assessments within two weeks after testing in order for results to be uploaded to TERMS. Schools that opt to participate in the Primary Reading Mid-Year and EOY and the Mathematics EOY Assessments will incur a fee of Two Dollars (\$2.00) per assessment per student.

3) **Cognitive Abilities Test (CogAT).** The purpose of the CogAT is to measure students' learned reasoning abilities in verbal, quantitative and nonverbal areas and to pre-screen second grade students for eligibility for gifted services. Riverside publishing owns and publishes the CogAT and has agreed to sell these materials to The School Board of Broward County, Florida. Charter schools may choose to participate in the CogAT for an initial fee per assessment per student in the second grade. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee unless additional test books are ordered, in which case the initial fee per second grade student will be incurred for those students for whom test booklets were ordered. The subsequent fee includes answer sheets, scanning and scoring of student answer documents and reporting test results. Charter schools may choose to participate in the CogAT for an initial fee of Six Dollars (\$6.00) per assessment per second grade student. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee of Two Dollars (\$2.00) per second grade student, unless additional test books are ordered, in which case a Six Dollar (\$6.00) fee per student will be incurred for those second grade students for whom test booklets were ordered. The Two Dollar (\$2.00) fee includes answer sheets, scanning and scoring of student answer documents and reporting test results.

C. Payments. The School agrees to pay the per unit price of each assessment ordered as defined on the work order. The total amount to be withheld from the School's FTE distribution will be based on the type of assessments ordered by the School per

grade level and the most recent student enrollment numbers at the time of the pertinent assessment distribution.

D. Cancellation. Cancellation of requested assessments must be in writing and placed with the Innovative Programs Design/Support Department Forty-Five (45) days prior to the first day of the assessment's administration date. The School will be charged a fee for canceling requested assessments. The cancelation fee is Twenty-Five Cents (25¢) per assessment that the School requested through a Work Order. If the School cancels a request for assessments after Forty-Five (45) days before the first day of the assessment's administration, the School will be charged the full-cost of the requested assessments.

B. Student Support Services.

1) **Annual School Social Work** services may be purchased from SBBC at a rate of Six Thousand Eight Hundred Seven Dollars (\$6,807.00) per year for a maximum of Sixty-Eight (68) hours during the term of this Agreement. A School Social Worker will be assigned to serve Fifteen (15) charter schools. Total price for one academic year of School Social Work services will be prorated based on the number of service weeks available in this Agreement's terms of service and upon approval of this Agreement. School Social Work services include:

a. Liaison services between the School, a student's home and the community. Liaisons act as advocates for students and their families in obtaining necessary school and community services;

b. Assessments including family, psychosocial, and behavior scales. Assessment referrals may take up to Ten (10) hours to complete. Completion of assessment referrals is contingent upon the School providing adequate notice to the Social Worker and scheduling a required amount of time with the Social Worker;

c. Consultation in the areas of Tier 1 attendance processes, educational planning consultations, mental health, and cultural, developmental and environmental factors affecting students and families including, but not limited to, teenage pregnancy and parenting, child abuse, neglect, and homelessness;

d. Intervention/Counseling is available for short-term individual and group counseling for students. Students with long-term therapeutic needs are referred to appropriate agencies for follow up;

e. Crisis Intervention Team is available to schools during times of crisis including, but not limited to, death of a student, staff or family member, natural disasters, terrorist activity, or any event in the school or home setting which may negatively affect student or staff functioning; and

f. Non-attendance and truancy interventions to assist schools in assessing the causes of non-attendance/truancy problems of students referred and in the recommendation of family, community, and school based interventions.

2) **Additional Social Work** services are available to Premium Service Partners for an additional fee. Additional social work services include:

a. **Broward Truancy Intervention Program (BTIP).** The need for the Broward Truancy Intervention Program arises when a student exhibits behaviors consistent with a pattern of nonattendance. If the School chooses to request BTIP services, the School must have documentation of implemented interventions that have been unsuccessful in remediating patterns of nonattendance. School staff will contact the Student Services Office for questions and consultation regarding best practices, policy clarification and intervention to remediate the above issues. Many levels of services and personnel, as well as a menu of strategies, are required to implement the BTIP process with fidelity. The price for referring one student to the BTIP process is Three Hundred Twenty-Four Dollars (\$324.00).

b. **Parent or Student Workshops** presented by Social Workers may be available after contracted hours from SBBC to inform parents, students, or school staff on a variety of topics, at the request of a charter school. The price of a One (1) hour workshop is Two Hundred Sixty-Eight Dollars (\$268.00).

c. **Behavior Intervention Program** is a structured assignment process for students who, according to the most recent Behavior Intervention Program Handbook, “exhibit severe, unmanageable behavior that cannot be adequately controlled in a traditional school setting” to attend an SBBC Behavior Intervention Site. For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. The price of referring one student to the Behavior Intervention Program is either One Thousand Nine Hundred Sixty Dollars (\$1,960.00) or Six Hundred Eighty-Four Dollars (\$684.00), depending on the referred student’s educational program referral history and current educational program placement. Total price will be agreed upon between the School’s Principal and Innovative Programs Design/Support Department prior to initiation of services. Referral to the Behavior Intervention Program does not ensure recommendation for placement into a Behavior Intervention Site. If the recommendation

is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

D. Pooled Premium Services. Any services requested by the School under this exhibit are subject to a requirement that Fifteen (15) charter schools ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under this exhibit will terminate without any additional notice or action from SBBC unless SBBC enters into a Premium Services Agreement with another charter school seeking premium services under this exhibit within Thirty (30) days of the termination of SBBC's contract with the earlier pooled Premium Services Partner. The School agrees that it is entirely within SBBC's discretion to identify those available Premium Services Partners with whom the School will be pooled in order for SBBC to provide premium services under this exhibit.

A breach of the confidentiality requirements shall constitute grounds for immediate termination of this Agreement with any party without advance notice.

ARTICLE 3 – GENERAL CONDITIONS

3.01 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. Notwithstanding any other provisions in this Agreement including, without limitation, Section 3.05 or Exhibits B or F, the parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The

parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. may be terminated by the non-defaulting party upon Thirty (30) days notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. A default under this Agreement does not constitute a default under any other agreements between the parties.

3.07 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22, 1002.221 and/or 1002.222 Florida Statutes. STUDENT ASSESSMENT AND RESEARCH

A. Description of Goods and Services.

The School will:

- 1) Submit one request per location number for assessments through an online request form, print the Work Order and retain the Work Order for purposes of picking up assessments on designated pick up dates;
- 2) Assign to a School Assessment Coordinator the responsibility of picking up all assessments from 4200 NW 10th Avenue, Oakland Park, FL 33309 and returning all used and unused materials as directed for the particular assessment within Two (2) days of testing administration completion to Student Assessment Department located at 4200 NW 10th Avenue, Oakland Park, FL 33309;
- 3) Maintain the security of the assessments. School personnel are prohibited from examining or copying the test items and/or the contents of the test. The security of all test materials must be maintained before, during, and after the test administration. After any administration, initial or make-up, materials must be returned immediately to the school assessment coordinator and placed in locked storage. Secure materials should not remain in classrooms or be taken out of the building overnight. The use of untrained test administrators increases the risk of test invalidation due to test irregularities or breaches in test security. Inappropriate actions by school personnel will result in further investigation, possible loss of teaching certification, and termination of this Agreement; and
- 4) Refer and abide by SBBC's 2016-2017 Student Assessment and Research District-wide Testing Calendar and notification from the Student Assessment and Research Department for mandatory session schedules of and procedures for voluntary district-wide assessments.

The SBBC will:

- 1) Determine quantity of assessments for the School based on the most recent enrollment numbers at the time of assessment distribution;
- 2) Coordinate withholding of FTE funds;
- 3) Package and prepare requested assessments for pick up by the School; and
- 4) After receiving returned assessments from the School, scan and produce scores for all students who were correctly identified and tested for applicable assessments.

B. Voluntary District-wide Assessments.

1) **Interim Assessments.** Interim assessments monitor progress of students towards mastery of the Florida Standards. Data from Interim Assessments enable classroom teachers to modify instruction in order to provide additional support and interventions to students. The School agrees to purchase all subtests assigned to each chosen grade level. The price of each Interim Assessment will be established and communicated to the School through notifications from the Student Assessment and Research Department during the term of this Agreement. The School shall agree to the price of the Interim Assessments through a Work Order.

2) **Primary Reading Mid-Year and End-of-Year (EOY) and Primary Mathematics EOY Assessments.** The District developed these assessments to assess Florida Standards and developed the EOYs to be used as promotion criteria in grades One (1) and Two (2) in 2016-2017. Schools are required to score and enter these assessments within two weeks after testing in order for results to be uploaded to TERMS. Schools that opt to participate in the Primary Reading Mid-Year and EOY and the Mathematics EOY Assessments will incur a fee of Two Dollars (\$2.00) per assessment per student.

3) **Cognitive Abilities Test (CogAT).** The purpose of the CogAT is to measure students' learned reasoning abilities in verbal, quantitative and nonverbal areas and to pre-screen second grade students for eligibility for gifted services. Riverside publishing owns and publishes the CogAT and has agreed to sell these materials to The School Board of Broward County, Florida. Charter schools may choose to participate in the CogAT for an initial fee per assessment per student in the second grade. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee unless additional test books are ordered, in which case the initial fee per second grade student will be incurred for those students for whom test booklets were ordered. The subsequent fee includes answer sheets, scanning and scoring of student answer documents and reporting test results. Charter schools may choose to participate in the CogAT for an initial fee of Six Dollars (\$6.00) per assessment per second grade student. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee of Two Dollars (\$2.00) per second grade student, unless additional test books are ordered, in which case a Six Dollar (\$6.00) fee per student will be incurred for those second grade students for whom test booklets were ordered. The Two Dollar (\$2.00) fee includes answer sheets, scanning and scoring of student answer documents and reporting test results.

C. Payments. The School agrees to pay the per unit price of each assessment ordered as defined on the work order. The total amount to be withheld from the School's FTE distribution will be based on the type of assessments ordered by the School per

grade level and the most recent student enrollment numbers at the time of the pertinent assessment distribution.

D. Cancellation. Cancellation of requested assessments must be in writing and placed with the Innovative Programs Design/Support Department Forty-Five (45) days prior to the first day of the assessment's administration date. The School will be charged a fee for canceling requested assessments. The cancellation fee is Twenty-Five Cents (25¢) per assessment that the School requested through a Work Order. If the School cancels a request for assessments after Forty-Five (45) days before the first day of the assessment's administration, the School will be charged the full-cost of the requested assessments.

B. Student Support Services.

1) **Annual School Social Work** services may be purchased from SBBC at a rate of Six Thousand Eight Hundred Seven Dollars (\$6,807.00) per year for a maximum of Sixty-Eight (68) hours during the term of this Agreement. A School Social Worker will be assigned to serve Fifteen (15) charter schools. Total price for one academic year of School Social Work services will be prorated based on the number of service weeks available in this Agreement's terms of service and upon approval of this Agreement. School Social Work services include:

a. Liaison services between the School, a student's home and the community. Liaisons act as advocates for students and their families in obtaining necessary school and community services;

b. Assessments including family, psychosocial, and behavior scales. Assessment referrals may take up to Ten (10) hours to complete. Completion of assessment referrals is contingent upon the School providing adequate notice to the Social Worker and scheduling a required amount of time with the Social Worker;

c. Consultation in the areas of Tier 1 attendance processes, educational planning consultations, mental health, and cultural, developmental and environmental factors affecting students and families including, but not limited to, teenage pregnancy and parenting, child abuse, neglect, and homelessness;

d. Intervention/Counseling is available for short-term individual and group counseling for students. Students with long-term therapeutic needs are referred to appropriate agencies for follow up;

e. Crisis Intervention Team is available to schools during times of crisis including, but not limited to, death of a student, staff or family member, natural disasters, terrorist activity, or any event in the school or home setting which may negatively affect student or staff functioning; and

f. Non-attendance and truancy interventions to assist schools in assessing the causes of non-attendance/truancy problems of students referred and in the recommendation of family, community, and school based interventions.

2) **Additional Social Work** services are available to Premium Service Partners for an additional fee. Additional social work services include:

a. **Broward Truancy Intervention Program (BTIP).** The need for the Broward Truancy Intervention Program arises when a student exhibits behaviors consistent with a pattern of nonattendance. If the School chooses to request BTIP services, the School must have documentation of implemented interventions that have been unsuccessful in remediating patterns of nonattendance. School staff will contact the Student Services Office for questions and consultation regarding best practices, policy clarification and intervention to remediate the above issues. Many levels of services and personnel, as well as a menu of strategies, are required to implement the BTIP process with fidelity. The price for referring one student to the BTIP process is Three Hundred Twenty-Four Dollars (\$324.00).

b. **Parent or Student Workshops** presented by Social Workers may be available after contracted hours from SBBC to inform parents, students, or school staff on a variety of topics, at the request of a charter school. The price of a One (1) hour workshop is Two Hundred Sixty-Eight Dollars (\$268.00).

c. **Behavior Intervention Program** is a structured assignment process for students who, according to the most recent Behavior Intervention Program Handbook, “exhibit severe, unmanageable behavior that cannot be adequately controlled in a traditional school setting” to attend an SBBC Behavior Intervention Site. For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. The price of referring one student to the Behavior Intervention Program is either One Thousand Nine Hundred Sixty Dollars (\$1,960.00) or Six Hundred Eighty-Four Dollars (\$684.00), depending on the referred student’s educational program referral history and current educational program placement. Total price will be agreed upon between the School’s Principal and Innovative Programs Design/Support Department prior to initiation of services. Referral to the Behavior Intervention Program does not ensure recommendation for placement into a Behavior Intervention Site. If the recommendation

is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

D. Pooled Premium Services. Any services requested by the School under this exhibit are subject to a requirement that Fifteen (15) charter schools ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under this exhibit will terminate without any additional notice or action from SBBC unless SBBC enters into a Premium Services Agreement with another charter school seeking premium services under this exhibit within Thirty (30) days of the termination of SBBC's contract with the earlier pooled Premium Services Partner. The School agrees that it is entirely within SBBC's discretion to identify those available Premium Services Partners with whom the School will be pooled in order for SBBC to provide premium services under this exhibit.

ARTICLE 3 – GENERAL CONDITIONS

Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. Notwithstanding any other provisions in this Agreement including, without limitation, Section 3.05 or Exhibits B or F, the parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third

The School will:

1) Submit one request per location number for assessments through an online request form, print the Work Order and retain the Work Order for purposes of picking up assessments on designated pick up dates;

2) Assign to a School Assessment Coordinator the responsibility of picking up all assessments from 4200 NW 10th Avenue, Oakland Park, FL 33309 and returning all used and unused materials as directed for the particular assessment within Two (2) days of testing administration completion to Student Assessment Department located at 4200 NW 10th Avenue, Oakland Park, FL 33309;

3) Maintain the security of the assessments. School personnel are prohibited from examining or copying the test items and/or the contents of the test. The security of all test materials must be maintained before, during, and after the test administration. After any administration, initial or make-up, materials must be returned immediately to the school assessment coordinator and placed in locked storage. Secure materials should not remain in classrooms or be taken out of the building overnight. The use of untrained test administrators increases the risk of test invalidation due to test irregularities or breaches in test security. Inappropriate actions by school personnel will result in further investigation, possible loss of teaching certification, and termination of this Agreement; and

4) Refer and abide by SBBC's 2016-2017 Student Assessment and Research District-wide Testing Calendar and notification from the Student Assessment and Research Department for mandatory session schedules of and procedures for voluntary district-wide assessments.

The SBBC will:

1) Determine quantity of assessments for the School based on the most recent enrollment numbers at the time of assessment distribution;

2) Coordinate withholding of FTE funds;

3) Package and prepare requested assessments for pick up by the School; and

4) After receiving returned assessments from the School, scan and produce scores for all students who were correctly identified and tested for applicable assessments.

B. Voluntary District-wide Assessments.

1) **Interim Assessments.** Interim assessments monitor progress of students towards mastery of the Florida Standards. Data from Interim Assessments enable classroom teachers to modify instruction in order to provide additional support and interventions to students. The School agrees to purchase all subtests assigned to each chosen grade level. The price of each Interim Assessment will be established and communicated to the School through notifications from the Student Assessment and Research Department during the term of this Agreement. The School shall agree to the price of the Interim Assessments through a Work Order.

2) **Primary Reading Mid-Year and End-of-Year (EOY) and Primary Mathematics EOY Assessments.** The District developed these assessments to assess Florida Standards and developed the EOYs to be used as promotion criteria in grades One (1) and Two (2) in 2016-2017. Schools are required to score and enter these assessments within two weeks after testing in order for results to be uploaded to TERMS. Schools that opt to participate in the Primary Reading Mid-Year and EOY and the Mathematics EOY Assessments will incur a fee of Two Dollars (\$2.00) per assessment per student.

3) **Cognitive Abilities Test (CogAT).** The purpose of the CogAT is to measure students' learned reasoning abilities in verbal, quantitative and nonverbal areas and to pre-screen second grade students for eligibility for gifted services. Riverside publishing owns and publishes the CogAT and has agreed to sell these materials to The School Board of Broward County, Florida. Charter schools may choose to participate in the CogAT for an initial fee per assessment per student in the second grade. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee unless additional test books are ordered, in which case the initial fee per second grade student will be incurred for those students for whom test booklets were ordered. The subsequent fee includes answer sheets, scanning and scoring of student answer documents and reporting test results. Charter schools may choose to participate in the CogAT for an initial fee of Six Dollars (\$6.00) per assessment per second grade student. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee of Two Dollars (\$2.00) per second grade student, unless additional test books are ordered, in which case a Six Dollar (\$6.00) fee per student will be incurred for those second grade students for whom test booklets were ordered. The Two Dollar (\$2.00) fee includes answer sheets, scanning and scoring of student answer documents and reporting test results.

C. Payments. The School agrees to pay the per unit price of each assessment ordered as defined on the work order. The total amount to be withheld from the School's FTE distribution will be based on the type of assessments ordered by the School per

grade level and the most recent student enrollment numbers at the time of the pertinent assessment distribution.

D. Cancellation. Cancellation of requested assessments must be in writing and placed with the Innovative Programs Design/Support Department Forty-Five (45) days prior to the first day of the assessment's administration date. The School will be charged a fee for canceling requested assessments. The cancelation fee is Twenty-Five Cents (25¢) per assessment that the School requested through a Work Order. If the School cancels a request for assessments after Forty-Five (45) days before the first day of the assessment's administration, the School will be charged the full-cost of the requested assessments.

- 2) Authorize a Work Order for Student Services;
- 3) Authorize withholding of FTE funds for services commencing upon approval of this Agreement and continuing throughout the term of this Agreement; and
- 4) Submit referrals for Social Work services.

The SBBC will:

- 1) Facilitate requests for student services by authorizing the request from the School and placing the order through SBBC's Innovative Programs Design/Support Department; and
- 2) Coordinate withholding of FTE funds for services commencing upon approval of this Agreement and continuing throughout the term of this Agreement.

B. Student Support Services.

1) **Annual School Social Work** services may be purchased from SBBC at a rate of Six Thousand Eight Hundred Seven Dollars (\$6,807.00) per year for a maximum of Sixty-Eight (68) hours during the term of this Agreement. A School Social Worker will be assigned to serve Fifteen (15) charter schools. Total price for one academic year of School Social Work services will be prorated based on the number of service weeks available in this Agreement's terms of service and upon approval of this Agreement. School Social Work services include:

a. Liaison services between the School, a student's home and the community. Liaisons act as advocates for students and their families in obtaining necessary school and community services;

b. Assessments including family, psychosocial, and behavior scales. Assessment referrals may take up to Ten (10) hours to complete. Completion of assessment referrals is contingent upon the School providing adequate notice to the Social Worker and scheduling a required amount of time with the Social Worker;

c. Consultation in the areas of Tier 1 attendance processes, educational planning consultations, mental health, and cultural, developmental and environmental factors affecting students and families including, but not limited to, teenage pregnancy and parenting, child abuse, neglect, and homelessness;

d. Intervention/Counseling is available for short-term individual and group counseling for students. Students with long-term therapeutic needs are referred to appropriate agencies for follow up;

e. Crisis Intervention Team is available to schools during times of crisis including, but not limited to, death of a student, staff or family member, natural disasters, terrorist activity, or any event in the school or home setting which may negatively affect student or staff functioning; and

f. Non-attendance and truancy interventions to assist schools in assessing the causes of non-attendance/truancy problems of students referred and in the recommendation of family, community, and school based interventions.

2) **Additional Social Work** services are available to Premium Service Partners for an additional fee. Additional social work services include:

a. **Broward Truancy Intervention Program (BTIP).** The need for the Broward Truancy Intervention Program arises when a student exhibits behaviors consistent with a pattern of nonattendance. If the School chooses to request BTIP services, the School must have documentation of implemented interventions that have been unsuccessful in remediating patterns of nonattendance. School staff will contact the Student Services Office for questions and consultation regarding best practices, policy clarification and intervention to remediate the above issues. Many levels of services and personnel, as well as a menu of strategies, are required to implement the BTIP process with fidelity. The price for referring one student to the BTIP process is Three Hundred Twenty-Four Dollars (\$324.00).

b. **Parent or Student Workshops** presented by Social Workers may be available after contracted hours from SBBC to inform parents, students, or school staff on a variety of topics, at the request of a charter school. The price of a One (1) hour workshop is Two Hundred Sixty-Eight Dollars (\$268.00).

c. **Behavior Intervention Program** is a structured assignment process for students who, according to the most recent Behavior Intervention Program Handbook, “exhibit severe, unmanageable behavior that cannot be adequately controlled in a traditional school setting” to attend an SBBC Behavior Intervention Site. For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. The price of referring one student to the Behavior Intervention Program is either One Thousand Nine Hundred Sixty Dollars (\$1,960.00) or Six Hundred Eighty-Four Dollars (\$684.00), depending on the referred student’s educational program referral history and current educational program placement. Total price will be agreed upon between the School’s Principal and Innovative Programs Design/Support Department prior to initiation of services. Referral to the Behavior Intervention Program does not ensure recommendation for placement into a Behavior Intervention Site. If the recommendation

is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

D. Pooled Premium Services. Any services requested by the School under this exhibit are subject to a requirement that Fifteen (15) charter schools ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under this exhibit will terminate without any additional notice or action from SBBC unless SBBC enters into a Premium Services Agreement with another charter school seeking premium services under this exhibit within Thirty (30) days of the termination of SBBC's contract with the earlier pooled Premium Services Partner. The School agrees that it is entirely within SBBC's discretion to identify those available Premium Services Partners with whom the School will be pooled in order for SBBC to provide premium services under this exhibit.

The price of each Interim Assessment will be established and communicated to the School through notifications from the Student Assessment and Research Department during the term of this Agreement. The School shall agree to the price of the Interim Assessments through a Work Order.

2) Primary Reading Mid-Year and End-of-Year (EOY) and Primary Mathematics EOY Assessments. The District developed these assessments to assess Florida Standards and developed the EOYs to be used as promotion criteria in grades One (1) and Two (2) in 2016-2017. Schools are required to score and enter these assessments within two weeks after testing in order for results to be uploaded to TERMS. Schools that opt to participate in the Primary Reading Mid-Year and EOY and the Mathematics EOY Assessments will incur a fee of Two Dollars (\$2.00) per assessment per student.

3) Cognitive Abilities Test (CogAT). The purpose of the CogAT is to measure students' learned reasoning abilities in verbal, quantitative and nonverbal areas and to pre-screen second grade students for eligibility for gifted services. Riverside publishing owns and publishes the CogAT and has agreed to sell these materials to The School Board of Broward County, Florida. Charter schools may choose to participate in the CogAT for an initial fee per assessment per student in the second grade. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee unless additional test books are ordered, in which case the initial fee per second grade student will be incurred for those students for whom test booklets were ordered. The subsequent fee includes answer sheets, scanning and scoring of student answer documents and reporting test results. Charter schools may choose to participate in the CogAT for an initial fee of Six Dollars (\$6.00) per assessment per second grade student. The initial fee includes re-useable test booklets, answer sheets, scanning and scoring of student answer documents and reporting test results. After the first administration, each subsequent administration will incur a subsequent fee of Two Dollars (\$2.00) per second grade student, unless additional test books are ordered, in which case a Six Dollar (\$6.00) fee per student will be incurred for those second grade students for whom test booklets were ordered. The Two Dollar (\$2.00) fee includes answer sheets, scanning and scoring of student answer documents and reporting test results.

C. Payments. The School agrees to pay the per unit price of each assessment ordered as defined on the work order. The total amount to be withheld from the School's FTE distribution will be based on the type of assessments ordered by the School per

grade level and the most recent student enrollment numbers at the time of the pertinent assessment distribution.

D. Cancellation. Cancellation of requested assessments must be in writing and placed with the Innovative Programs Design/Support Department Forty-Five (45) days prior to the first day of the assessment's administration date. The School will be charged a fee for canceling requested assessments. The cancellation fee is Twenty-Five Cents (25¢) per assessment that the School requested through a Work Order. If the School cancels a request for assessments after Forty-Five (45) days before the first day of the assessment's administration, the School will be charged the full-cost of the requested assessments.

STUDENT SERVICES - POOLED PREMIUM SERVICES

A. Description of Goods and Services.

The School will:

- 1) Submit a request for Student Services to SBBC's Innovative Programs Design/Support Department;
- 2) Authorize a Work Order for Student Services;
- 3) Authorize withholding of FTE funds for services commencing upon approval of this Agreement and continuing throughout the term of this Agreement; and
- 4) Submit referrals for Social Work services.

The SBBC will:

- 1) Facilitate requests for student services by authorizing the request from the School and placing the order through SBBC's Innovative Programs Design/Support Department; and
- 2) Coordinate withholding of FTE funds for services commencing upon approval of this Agreement and continuing throughout the term of this Agreement.

B. Student Support Services.

1) **Annual School Social Work** services may be purchased from SBBC at a rate of Six Thousand Eight Hundred Seven Dollars (\$6,807.00) per year for a maximum of Sixty-Eight (68) hours during the term of this Agreement. A School Social Worker will be assigned to serve Fifteen (15) charter schools. Total price for one academic year of School Social Work services will be prorated based on the number of service weeks available in this Agreement's terms of service and upon approval of this Agreement. School Social Work services include:

a. Liaison services between the School, a student's home and the community. Liaisons act as advocates for students and their families in obtaining necessary school and community services;

b. Assessments including family, psychosocial, and behavior scales. Assessment referrals may take up to Ten (10) hours to complete. Completion of assessment referrals is contingent upon the School providing adequate notice to the Social Worker and scheduling a required amount of time with the Social Worker;

c. Consultation in the areas of Tier 1 attendance processes, educational planning consultations, mental health, and cultural, developmental and environmental factors affecting students and families including, but not limited to, teenage pregnancy and parenting, child abuse, neglect, and homelessness;

d. Intervention/Counseling is available for short-term individual and group counseling for students. Students with long-term therapeutic needs are referred to appropriate agencies for follow up;

e. Crisis Intervention Team is available to schools during times of crisis including, but not limited to, death of a student, staff or family member, natural disasters, terrorist activity, or any event in the school or home setting which may negatively affect student or staff functioning; and

f. Non-attendance and truancy interventions to assist schools in assessing the causes of non-attendance/truancy problems of students referred and in the recommendation of family, community, and school based interventions.

2) **Additional Social Work** services are available to Premium Service Partners for an additional fee. Additional social work services include:

a. **Broward Truancy Intervention Program (BTIP).** The need for the Broward Truancy Intervention Program arises when a student exhibits behaviors consistent with a pattern of nonattendance. If the School chooses to request BTIP services, the School must have documentation of implemented interventions that have been unsuccessful in remediating patterns of nonattendance. School staff will contact the Student Services Office for questions and consultation regarding best practices, policy clarification and intervention to remediate the above issues. Many levels of services and personnel, as well as a menu of strategies, are required to implement the BTIP process with fidelity. The price for referring one student to the BTIP process is Three Hundred Twenty-Four Dollars (\$324.00).

b. **Parent or Student Workshops** presented by Social Workers may be available after contracted hours from SBBC to inform parents, students, or school staff on a variety of topics, at the request of a charter school. The price of a One (1) hour workshop is Two Hundred Sixty-Eight Dollars (\$268.00).

c. **Behavior Intervention Program** is a structured assignment process for students who, according to the most recent Behavior Intervention Program Handbook, “exhibit severe, unmanageable behavior that cannot be adequately controlled in a traditional school setting” to attend an SBBC Behavior Intervention Site. For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. The price of referring one student to the Behavior Intervention Program is either One Thousand Nine Hundred Sixty Dollars (\$1,960.00) or Six Hundred Eighty-Four Dollars (\$684.00), depending on the referred student’s educational program referral history and current educational program placement. Total price will be agreed upon between the School’s Principal and Innovative Programs Design/Support Department prior to initiation of services. Referral to the Behavior Intervention Program does not ensure recommendation for placement into a Behavior Intervention Site. If the recommendation

is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

D. Pooled Premium Services. Any services requested by the School under this exhibit are subject to a requirement that Fifteen (15) charter schools ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under this exhibit will terminate without any additional notice or action from SBBC unless SBBC enters into a Premium Services Agreement with another charter school seeking premium services under this exhibit within Thirty (30) days of the termination of SBBC's contract with the earlier pooled Premium Services Partner. The School agrees that it is entirely within SBBC's discretion to identify those available Premium Services Partners with whom the School will be pooled in order for SBBC to provide premium services under this exhibit.

In such event, no further premium services will be provided by SBBC after the effective date of termination. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under Exhibits B or F will terminate without refund or any additional notice or action from SBBC.

STUDENT SERVICES - POOLED PREMIUM SERVICES

A. Description of Goods and Services.

The School will:

- 1) Submit a request for Student Services to SBBC's Innovative Programs Design/Support Department;
- 2) Authorize a Work Order for Student Services;
- 3) Authorize withholding of FTE funds for services commencing upon approval of this Agreement and continuing throughout the term of this Agreement; and
- 4) Submit referrals for Social Work services.

The SBBC will:

- 1) Facilitate requests for student services by authorizing the request from the School and placing the order through SBBC's Innovative Programs Design/Support Department; and
- 2) Coordinate withholding of FTE funds for services commencing upon approval of this Agreement and continuing throughout the term of this Agreement.

B. Student Support Services.

1) **Annual School Social Work** services may be purchased from SBBC at a rate of Six Thousand Eight Hundred Seven Dollars (\$6,807.00) per year for a maximum of Sixty-Eight (68) hours during the term of this Agreement. A School Social Worker will be assigned to serve Fifteen (15) charter schools. Total price for one academic year of School Social Work services will be prorated based on the number of service weeks available in this Agreement's terms of service and upon approval of this Agreement. School Social Work services include:

a. Liaison services between the School, a student's home and the community. Liaisons act as advocates for students and their families in obtaining necessary school and community services;

b. Assessments including family, psychosocial, and behavior scales. Assessment referrals may take up to Ten (10) hours to complete. Completion of assessment referrals is contingent upon the School providing adequate notice to the Social Worker and scheduling a required amount of time with the Social Worker;

c. Consultation in the areas of Tier 1 attendance processes, educational planning consultations, mental health, and cultural, developmental and environmental factors affecting students and families including, but not limited to, teenage pregnancy and parenting, child abuse, neglect, and homelessness;

d. Intervention/Counseling is available for short-term individual and group counseling for students. Students with long-term therapeutic needs are referred to appropriate agencies for follow up;

e. Crisis Intervention Team is available to schools during times of crisis including, but not limited to, death of a student, staff or family member, natural disasters, terrorist activity, or any event in the school or home setting which may negatively affect student or staff functioning; and

f. Non-attendance and truancy interventions to assist schools in assessing the causes of non-attendance/truancy problems of students referred and in the recommendation of family, community, and school based interventions.

2) **Additional Social Work** services are available to Premium Service Partners for an additional fee. Additional social work services include:

a. **Broward Truancy Intervention Program (BTIP).** The need for the Broward Truancy Intervention Program arises when a student exhibits behaviors consistent with a pattern of nonattendance. If the School chooses to request BTIP services, the School must have documentation of implemented interventions that have been unsuccessful in remediating patterns of nonattendance. School staff will contact the Student Services Office for questions and consultation regarding best practices, policy clarification and intervention to remediate the above issues. Many levels of services and personnel, as well as a menu of strategies, are required to implement the BTIP process with fidelity. The price for referring one student to the BTIP process is Three Hundred Twenty-Four Dollars (\$324.00).

b. **Parent or Student Workshops** presented by Social Workers may be available after contracted hours from SBBC to inform parents, students, or school staff on a variety of topics, at the request of a charter school. The price of a One (1) hour workshop is Two Hundred Sixty-Eight Dollars (\$268.00).

c. **Behavior Intervention Program** is a structured assignment process for students who, according to the most recent Behavior Intervention Program Handbook, “exhibit severe, unmanageable behavior that cannot be adequately controlled in a traditional school setting” to attend an SBBC Behavior Intervention Site. For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. The price of referring one student to the Behavior Intervention Program is either One Thousand Nine Hundred Sixty Dollars (\$1,960.00) or Six Hundred Eighty-Four Dollars (\$684.00), depending on the referred student’s educational program referral history and current educational program placement. Total price will be agreed upon between the School’s Principal and Innovative Programs Design/Support Department prior to initiation of services. Referral to the Behavior Intervention Program does not ensure recommendation for placement into a Behavior Intervention Site. If the recommendation

is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

D. Pooled Premium Services. Any services requested by the School under this exhibit are subject to a requirement that Fifteen (15) charter schools ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under this exhibit will terminate without any additional notice or action from SBBC unless SBBC enters into a Premium Services Agreement with another charter school seeking premium services under this exhibit within Thirty (30) days of the termination of SBBC's contract with the earlier pooled Premium Services Partner. The School agrees that it is entirely within SBBC's discretion to identify those available Premium Services Partners with whom the School will be pooled in order for SBBC to provide premium services under this exhibit.

No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. Interest shall be calculated using the interest rate for judgments under Section 55.03, Florida Statutes, applicable at the time the erroneous payment or overpayment was made by SBBC.

Pursuant to Section 119.0701, Florida Statutes, any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost, to SBBC all public records in that party's possession upon termination of its contract with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. The price of referring one student to the Behavior Intervention Program is either One Thousand Nine Hundred Sixty Dollars (\$1,960.00) or Six Hundred Eighty-Four Dollars (\$684.00), depending on the referred student’s educational program referral history and current educational program placement. Total price will be agreed upon between the School’s Principal and Innovative Programs Design/Support Department prior to initiation of services. Referral to the Behavior Intervention Program does not ensure recommendation for placement into a Behavior Intervention Site. If the recommendation

is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

- i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;
- ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;
- iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;
- iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and
- v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

D. Pooled Premium Services. Any services requested by the School under this exhibit are subject to a requirement that Fifteen (15) charter schools ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under this exhibit will terminate without any additional notice or action from SBBC unless SBBC enters into a Premium Services Agreement with another charter school seeking premium services under this exhibit within Thirty (30) days of the termination of SBBC's contract with the earlier pooled Premium Services Partner. The School agrees that it is entirely within SBBC's discretion to identify those available Premium Services Partners with whom the School will be pooled in order for SBBC to provide premium services under this exhibit.

The parties agree that the failure of the School to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. The School agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting in the School's failure to comply with the requirements of this Section or with Sections 1012.32 and 1012.465, Florida Statutes.

A breach of the confidentiality requirements shall constitute grounds for immediate termination of this Agreement with any party without advance notice.

ARTICLE 3 – GENERAL CONDITIONS

3.01 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. 3.03 Independent Contractor. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. This Agreement may be canceled with or without cause by either party during the term hereof upon Thirty (30) days written notice to the other party of its desire to terminate this Agreement. In such event, no further premium services will be provided by SBBC after the effective date of termination. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under Exhibits B or F will terminate without refund or any additional notice or action from SBBC.

3.06 Default. The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party, Thirty (30) days written notice to cure the default. However, in the event said default cannot be cured within said Thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be

reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon Thirty (30) days notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. A default under this Agreement does not constitute a default under any other agreements between the parties.

3.07 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. Interest shall be calculated using the interest rate for judgments under Section 55.03, Florida Statutes, applicable at the time the erroneous payment or overpayment was made by SBBC.

3.08 Public Records. Pursuant to Section 119.0701, Florida Statutes, any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost, to SBBC all public records in that party's possession upon termination of its contract with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of

this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22, 1002.221 and/or 1002.222 Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations or as the student records are destroyed in accordance with the Florida Retention Schedules or are returned to SBBC, whichever is earlier.

For the purposes of this Agreement, a “traditional school setting” means enrollment in the School’s regular educational program. The School has requested that the Sponsor (SBBC) provide this service to determine appropriate student assignment as a premium service. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. is to refer a student to a Behavior Intervention Site, the School will communicate this information to the parent or guardian who ultimately will decide if the student will withdraw from the School and enroll in the Behavior Intervention Site. Possible types of referrals to the Behavior Intervention Program include:

i. Traditional referrals that are a result of repeated behavioral infractions with documented interventions that have had minimal or no success;

ii. Off-Campus Offender referrals that are a result of behaviors that would qualify for an expulsion if committed on campus;

iii. Returning from Residential Juvenile Justice Programs referrals that are a result of a student registering for regular school setting placement after documented completion of a Department of Juvenile Justice residential program, not including the detention center;

iv. Transitional referrals that are a result of a student recently returning to the School from a Behavior Intervention Site and demonstrating behavior problems with failed interventions; and

v. Emergency referrals that are a result of behavior by an elementary student that would qualify for expulsion if committed by the students at the secondary level.

C. Payments. The price of the mutually agreed upon Student Services will be deducted from the School's monthly distribution of FTE funds upon approval of this Agreement and as authorized by the Work Order.

parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. In such event, no further premium services will be provided by SBBC after the effective date of termination. In addition, termination of the School's Charter Agreement with SBBC will result in the immediate termination of this Agreement without the necessity of any additional notice or action from SBBC. Furthermore, any services requested by the School under Exhibits B or F are subject to a requirement that Fifteen (15) charter schools for Social Work services and Ten (10) charter schools for school psychologist services ("Premium Services Partners") have been pooled together under separate contracts with SBBC to obtain such services in order for SBBC to secure appropriate personnel to provide the requested services. If the Premium Services Agreement between SBBC and one of the School's pooled Premium Services Partners is terminated during the term of this Agreement, then the premium services available to the School under Exhibits B or F will terminate without refund or any additional notice or action from SBBC.

However, in the event said default cannot be cured within said Thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement

may be terminated by the non-defaulting party upon Thirty (30) days notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05. A default under this Agreement does not constitute a default under any other agreements between the parties.

3.07 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC with interest calculated from the date of the erroneous payment or overpayment. Interest shall be calculated using the interest rate for judgments under Section 55.03, Florida Statutes, applicable at the time the erroneous payment or overpayment was made by SBBC.

3.08 Public Records. Pursuant to Section 119.0701, Florida Statutes, any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost, to SBBC all public records in that party's possession upon termination of its contract with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any

penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22, 1002.221 and/or 1002.222 Florida Statutes. Students are usually assigned to the Behavior Intervention Site for Ninety (90) to One Hundred Eighty (180) days, with stays generally not to exceed Two (2) school years. Possible types of referrals to the Behavior Intervention Program include:
