TITLE:
Amendment to the 2016-2017 Organizational Chart Page 6 - Instructional and Digital Materials Analyst

REQUESTED ACTION:
Amend Page 6 of the 2016-2017 Organizational Chart to include the revised position of Instructional and Digital Materials Analyst.

SUMMARY EXPLANATION AND BACKGROUND:
The position will be responsible for the oversight of our annual textbook adoption process that includes a call for vendor participation, selection of textbooks, training of teachers, and delivery of materials to school sites. This position will also be responsible for the annual updating of instructional materials policies to more accurately respond to constantly changing learning environments in a digital age. This position will interface with the Office of Information and Technology ensuring that vendors meet the required IMS Global specifications and other technology compliance requirements for students' needs, as well as the Office of School Performance and Accountability to maximize school-based participation in the adoption and procurement process. This Board item aligns with Board item CC-11, first reading of the revised job description for the Instructional and Digital Materials Analyst position.
