

**Regular School Board Meeting September 20, 2016**

**II-8 First Amendment School Resource Officer (SRO) Agreement - City of Hallandale Beach  
(2015-2016)**

On June 23, 2015, the School Board approved agenda item II-1 School Resource Officer (SRO) Program Agreements – (2015-2016) with various municipalities to provide SRO services. Included in this item was an Agreement with the City of Hallandale Beach to provide four (4) SROs in five (5) schools. Specifically, the Agreement stipulates the City will provide one (1) SRO at one (1) elementary school and one (1) center, two (2) SROs at the two (2) secondary schools, and one (1) SRO at the other one (1) center operated by the District within Hallandale Beach. The financial impact of the expiring Agreement is \$194,258 for the term of the Agreement.

The participating schools are outlined below.

| <u>AGENCY</u>                   | <u>NO. OF SROs</u> | <u>SCHOOLS</u>                                |
|---------------------------------|--------------------|---|
| <u>City of Hallandale Beach</u> | <u>1</u>           | <u>Elementary:</u> Hallandale                 |
|                                 | <u>1</u>           | <u>Middle:</u> Gulfstream                     |
|                                 | <u>1</u>           | <u>High:</u> Hallandale                       |
|                                 | <u>1</u>           | <u>Center:</u> Lanier James, Hallandale Adult |

The current Agreement with the City of Hallandale Beach expires on September 30, 2016, and includes two payments for the 2016-2017 school year (August 2016 and September 2016). For the 2016-2017 school year, the District introduced a new K-8 configuration on the campuses of Hallandale Elementary and Hallandale Adult through the SSOS process. Additionally, Gulfstream Middle School is no longer being utilized as a middle school. As a result, it is necessary to modify the SRO configuration within current Agreement.

For August and September 2016, the number of SROs and participating schools will be as follows:

| <u>AGENCY</u>                   | <u>NO. OF SROs</u> | <u>SCHOOLS</u>   |
|---------------------------------|--------------------|--|
| <u>City of Hallandale Beach</u> | <u>2</u>           | <u>Combination:</u> Gulfstream Academy of Hallandale Beach K-8 |
|                                 | <u>1</u>           | <u>High:</u> Hallandale  |
|                                 | <u>1</u>           | <u>Center:</u> Lanier James                                    |

The financial impact associated with this First Amendment is a reduction of **\$9,250**. This is the result of Hallandale Elementary no longer being a year-round school. This decreases the total financial impact of the current SRO Agreement to \$185,008.
