Annual Evaluation of the Superintendent
2015-2016**

Directions: Use the scoring rubric identified for each standard to indicate the performance of the Superintendent. Indicate the rating by placing a √ in the box under the appropriate column. The definition of each rating is found in the *Guidelines and Timeline for the 2015-2016 Superintendent's Evaluation*. Use space associated with each standard, as needed, for specific comments.

Goals/Indicators	Scoring Rubric			
Goal 1: Leadership/Management (40%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Ensure a high-functioning school system through quality leadership and collaboration with the School Board, staff, and stakeholders. Create conditions that result in strategically reimagining the district's vision, mission, and goals to ensure that every student graduates from high school globally competitive for work and postsecondary education and prepared for life in the 21st century.		X		
Maintain a climate that promotes open dialog with school administrators, teachers, students, and staff on issues of teaching and learning.	<p>Comments:</p> <p>Mr. Runcie has shown effective leadership and management for Broward County Public Schools (BCPS). Many milestones have been reached through his leadership including:</p> <ul style="list-style-type: none"> - salary increases for our employees - securing \$190 million in target grants for instructional resources and teacher development - positive school reform initiatives leading to seven schools increasing by two letter grades and the number of "F" grades decreasing from 22 to 8 <p>Mr. Runcie's efforts illustrate effective leadership and management. However, I would like to see an improvement on learning gains and student achievement with resources that align with the measured assessments. Also for our SSOS schools, I would like to see concrete information that the efforts we've made have been effective.</p>			
Provide vision and strategic direction to district.				
Lead in an encouraging, participatory, and team-focused manner.				
Leverage talent of newly appointed staff in key roles to build effective leadership capacity in our schools and district departments.				
Demonstrate an understanding of organizational and educational leadership.				
Demonstrate an understanding of current legal, regulatory, and emerging issues and trends affecting education.				
Improve public trust and confidence in the institution and strengthen the focus on our core mission – student achievement.				
Delegate appropriate authority to staff and monitor their follow-through.				
Accurately evaluate senior staff performance to include ongoing commendations and constructive suggestions, and where appropriate, disciplinary measures.				
Respond timely and appropriately when faced with unforeseen events.				
Promote acquisition of grants, innovation and technological advancements that enhance student achievement, employee performance and effective operations.				
Keep Board informed of issues, needs, and operation of the school system in a timely manner.				
Appropriately interpret and execute the intent of Board policy.				
Create and maintain professional working relationship with Board.				
Continue collaboration with union and employee groups.				
Suggested Evidence and Artifacts:	<ul style="list-style-type: none"> • Strategic Plan and progress of the plan, including the articulation, implementation, stewardship and promotion of the strategic plan • Development and attainment of partnerships, grants and other resources to support initiatives • Results from outreach and collaboration with employees and their respective union/meet and confer groups • Presentations to internal and external stakeholders • Involvement in state and national organizations to provide input and influence local, state and national policy decisions • Development and refinement of Board Policies • Consistent and regular one-on-one meetings with Board members • Consistent communication apprising Board Members of critical issues at Board Workshops, Board Meetings and through emails and memoranda

Goal 2. High Quality Instruction (25%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Improve student performance by focusing on raising academic rigor in teaching and learning among staff and students, and preparing students and staff for global competitiveness.		X		
Implement the transition to the Common Core State Standards and academic rigor that focuses on learning and excellence for schools and students.	<p>Comments:</p> <p>There are several instructional programs and support structures initiated at the following schools for the 2016 – 2017 school year.</p> <p>Hallandale Elementary School and Gulfstream Middle School have been combined to form the new Gulfstream Academy of Hallandale Beach. The school will serve students in Grades K-8 and move from a year-round calendar to a traditional 180 day calendar. Henry D. Perry Middle School was repurposed into an adult education center. The programs and services offered at Hallandale Adult & Community Center have been transitioned to the Perry Middle facility as the new Henry D. Perry Education Center.</p> <p>However, I would like to see effective resources used that provide student achievement and improve the learning process. I believe resources such as Lexile and Go Math need to be analyzed and compared to other instructional resources that correlate with the FSA standards. Therefore, Mr. Runcie has earned an effective rating.</p>			
Apply effective methods of providing, monitoring, evaluating, and reporting student achievement to improve the learning process.				
Promote instructional strategies that include cultural diversity and differences in learning styles.				
Implementation of instructional and administrator evaluation systems focused on improving instructional and leadership practice.				
Support a broad range of academic and enrichment opportunities for all students focused on the development of well-rounded students.				
Analyze available instructional resources and assign them in a cost effective and equitable manner to enhance student outcomes.				
Promote the success of all students by ensuring management of the organization, operations and resources for a safe, efficient and effective learning environment.				
Improve outcomes for all students while reducing achievement gaps among subgroups, especially young Black male students.				
Suggested Evidence and Artifacts:				
<ul style="list-style-type: none"> • Student Achievement/Performance Data • Implementation plan for Common Core State Standards • Implementation plan for instructional and administrator evaluation systems • Development and implementation of professional learning opportunities, plans and support systems to improve instruction and implement Common Core State Standards and Marzano instructional practices • Development and implementation of initiatives/programs that support a well-rounded education that meet the social, cultural, and academic needs of students • Utilization of quality assessments and interventions to enhance achievement

Goal 3. Continuous Improvement (20%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Align resources and develop an organizational structure that supports operational effectiveness and efficiency to implement the District priorities focused on improving student achievement and business processes.	X			
Update and implement the District vision, mission, priorities and strategic plan that will serve as a system framework focused on comprehensive outcomes and measures.	<p>Comments:</p> <p>Mr. Runcie is highly effective in this area. With Adkins and Heery administering the general obligation bond funding, projects are on target to be in design procurement or the design stage and at least 20% of projects in the bond are underway representing \$223 million of work.</p>			
Assess programs and organizational functions to redirect resources to maximize school improvement and focus on critical functions.				
Continue a quality strategic planning process that will forge critical partnerships, community and District relationships, translating the strategic plan into reality.				
Implement appropriate leadership and performance management techniques to define roles, assign functions, and to determine accountability for attaining organizational goals.				
Work collaboratively with the Board and appropriate staff to determine priorities for balancing the budget and for effective allocation of resources.				
Demonstrate budget management including financial forecasting, planning, cash flow management, account auditing, and monitoring.				
Develop, implement, promote, and monitor continuous improvement processes.				
<p>Suggested Evidence and Artifacts:</p> <ul style="list-style-type: none"> • Strategic Plan and progress of the plan, including the articulation, implementation, stewardship and promotion of the strategic plan • Development and implementation of a performance management system • Improved budget process incorporating enhanced planning, communication and resource distribution • Development and implementation of innovative and entrepreneurial programs • Analysis and recommendations for improvements to the organizational structure • Redirection of resources to support schools • Use of audits to improve practices and accountability

Goal 4: Effective Communication (15%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Increase the effectiveness of internal and external communication with stakeholders to improve the District's image, as well as marketing initiatives that will lead to greater understanding and trust among and between, all facets of the District, community, and the School Board.		X		
Promote stakeholder involvement while establishing a communication system that effectively conveys District successes.	<p>Comments:</p> <p>The external communication on the SMART bond program does not adequately tell the story of the progress that has been and is being made, in a balanced way. Enhanced communication activities need to take place for this important initiative.</p> <p>A targeted effort to advertise and promote our schools, especially those under enrolled, needs to be implemented and not negated because of funding concerns.</p> <p>Therefore, Mr. Runcie is effective in this area.</p>			
Develop formal and informal techniques to obtain external and internal perceptions of the District by means of surveys, listening tours, and personal contacts.				
Promote and communicate system priorities using a variety of communication tools.				
Design and implement a comprehensive communications plan.				
Solicit opinions/feedback from stakeholder groups and individuals and adjust actions as appropriate.				
Develop and maintain meaningful, respectful and cooperative relationships with the media, municipality, county, community and legislative representatives.				
Provide a visible presence throughout the district and the community.				
Suggested Evidence and Artifacts:				
<ul style="list-style-type: none"> • Climate Surveys • Comprehensive communications plan • Outreach efforts to increase parent input and involvement • Outreach efforts to engage the community and businesses • Outreach efforts and collaboration with municipalities, universities, and legislative groups • Communication tools that enhance communication and customer service • Newsletters and public engagement documents designed to strengthen connections to the community
