The School Board of Broward County, Florida
Annual Evaluation of the Superintendent
2015-2016

COMMENTS:

There is no question that over the last five years we have implemented programs that have positively impacted the lives of our students. It is unfortunate that as of late, our student success is over shadowed by issues in the business side of the District. I believe Mr. Runcie has the capacity to correct the problems outlined. He has the ability to move the District forward and I look forward to future improvements.

Overall Performance Evaluation Rating:

Circle One: Highly Effective (3.400-4.000) Effective (2.450-3.399) Needs Improvement (1.450-2.449) Unsatisfactory (1.000-1.449)
