TITLE:
Agreement between The School Board of Broward County, Florida (SBBC) and Advanced Education, Inc. (AdvancED)

REQUESTED ACTION:
Approve attached Agreement for costs, policies, and procedures associated with Accreditation services in alignment with SBBC policies. Agreement includes clause(s) between Broward County Public Schools and AdvancED that permits disclosures of personally identifiable information from student education records to accrediting organizations and travel costs for the AdvancED External Review Team.

SUMMARY EXPLANATION AND BACKGROUND:
Broward County Schools, first accredited in 1962, must participate in an external review every five years. On October 23-26, 2016, SBBC will host an AdvancED External Review Team that will review the system and its schools to evaluate the system's adherence to the AdvancED Accreditation Standards. As part of the Accreditation process, the External Review Team will review SBBC documents and performance data and may need access to personally identifiable information from student education records. The Agreement will allow permissions for SBBC to provide AdvancED with access to personally identifiable information from student education records in accordance with applicable law and will allow for External Review Team travel costs in compliance with the current or updated School Board Policy 3400 and/or other relevant School Board Policies.
This agreement has been reviewed and approved as to form and legal content by the Office of the General Counsel.
